**The Bank of New York Mellon Corporate Trust Operations Division Also Known as Global Corporate Trust Billing Including On-Site Leased Workers From Aerotek, Inc., Also Known as Allegis Group and Teksystems, Aetea Information Technology, Inc., Ajilon Consulting, American, Cybersystems, Inc., and Comforce Staffing Services, Syracuse, NY; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on March 25, 2010, applicable to workers of The Bank of New York Mellon, Corporate Trust Operations Division, also known as Global Corporate Trust Billing, including on-site leased workers from Aerotek, Inc., AETEA Information Technology, Inc., Ajilon Consulting, American Cybersystems, Inc., and Comforce Staffing Services, Syracuse, New York. The notice was published in the **Federal Register** on April 23, 2010 (75 FR 21356).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in customized trust services, such as debt finance transactions.

The company reports that Aerotek, Inc., an on-site leasing firm at the subject firm, is also known as Allegis Group and TEKsystems.

Information also shows that workers separated from employment from Aerotek, Inc. had their wages reported under a separate unemployment insurance (UI) tax account for Allegis Group and TEKsystems.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in customized trust services to Pune, India.

The amended notice applicable to TA-W-71,601 is hereby issued as follows:

All workers of The Bank of New York Mellon, Corporate Trust Operations Division, including on-site leased workers of Aerotek, Inc., also known as Allegis Group and

TEKsystems, AETEA Information Technology, Inc., Ajilon Consulting, American Cybersystems, Inc., and Comforce Staffing Services, Syracuse, New York, who became totally or partially separated from employment on or after July 7, 2008, through March 25, 2012, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

**Isco Tubulars, Inc., Camanche, IA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on December 23, 2009, applicable to workers of IPSCO Tubulars, Inc., Camanche, Iowa (subject firm). The Department's notice was published in the **Federal Register** on February 16, 2010 (74 FR 7034). Workers are engaged in employment related to the production of steel pipe and tubular products.

On our own motion, the Department reviewed the certification applicable to the workers of the subject firm.

The Department's review shows that the subject firm was publicly identified by name by the International Trade Commission in an investigation resulting in a category of determination that is listed in Section 222(f) of the Act, 19 U.S.C. 2272(f). That determination was published in the **Federal Register** on July 21, 2008 and is within one year of the date of the TAA petition. Therefore, the Department is amending the impact date to read July 21, 2007 and the expiration date to read July 21, 2009.

The amended notice applicable to TA-W-70,856 is hereby issued as follows:

All workers of IPSCO Tubulars, Inc., Camanche, Iowa, who became totally or partially separated from employment on or

after July 21, 2007, through July 21, 2009, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 30th day of August, 2010.

**Hanesbrands, Inc., Galax, VA; Notice of Negative Determination on Reconsideration**

On May 4, 2010, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of Parkdale Mills (formerly Hanesbrands, Inc.), Galax, Virginia. The Department's Notice was published in the **Federal Register** on May 20, 2010 (75 FR 28295).

The initial investigation resulted in a negative determination based on the finding that Parkdale Mills (formerly Hanesbrands, Inc.), Galax, Virginia did not totally or partially separate, or threaten to separate, a significant number or proportion of workers as required by Section 222 of the Trade Act of 1974, as amended.

In the request for reconsideration, the petitioners alleged that an adequate employment decline had occurred and provided additional information in support of the allegation.

During the reconsideration investigation, the Department of Labor requested Hanesbrands, Inc. to submit a new Confidential Data Request form as well as written and verbal clarification of previously-submitted information and additional written information.

During the reconsideration investigation, the Department confirmed that the facility at issue was sold by Hanesbrands, Inc. to Parkdale Mills of Gastonia, North Carolina on October 28, 2009 and that yarn production increased in 2008 from 2007 levels but decreased during January through September 2009 compared to January through September 2008 levels.

The petitioners state that separations at the Galax, Virginia facility occurred on October 23, 2009 and October 24, 2009, and asserts that worker separations occurred because the "Plant was sold—reduction in force."

Based on previously-submitted information and new information obtained during the reconsideration investigation, the Department determines that the subject workers are workers separated from Hanesbrands, Inc., Galax, Virginia and not workers separated from Parkdale Mills, Galax, Virginia. A careful review of the new information revealed that a significant proportion or number of workers at Hanesbrands, Inc., Galax, Virginia was totally or partially separated, or threatened with such separation, prior to October 28, 2009.

During the reconsideration investigation, the Department confirmed that Hanesbrands, Inc., Galax, Virginia was an export-only facility that produced yarn exclusively for use in foreign countries and that Hanesbrands, Inc. did not shift to or acquire from a foreign country articles like or directly competitive with the yarn produced at the Galax, Virginia facility.

The reconsideration investigation also revealed that Hanesbrands, Inc. did not increase its imports of either articles like or directly competitive with the yarn produced at the Galax, Virginia facility or the apparel made from fabric woven from the yarn formerly produced at the Galax, Virginia facility.

Based on the information obtained during the initial and reconsideration investigations, the Department determines that the criteria set forth in Section 222(a) have not been met.

Since the yarn produced by the subject worker group was exported to be used in foreign facilities and worker groups located outside the United States and U.S. Territories cannot be eligible to apply for Trade Adjustment Assistance, the Department determines that the adversely affected secondary workers criteria set forth in Section 222(c) have not been met.

### Conclusion

After careful reconsideration, I affirm the original notice of negative determination of eligibility to apply for worker adjustment assistance for workers and former workers of Hanesbrands, Inc., Galax, Virginia.

Signed in Washington, DC, this 31st day of August, 2010.
