Chapter 35). To request a copy of the clearance requests submitted to OMB for review, e-mail paperwork@hrsa.gov or call the HRSA Reports Clearance Office on (301) 443–1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

HRSA Telehealth Outcome Measures (OMB No. 0915–0311)—Extension

In order to help carry out its mission, the Office for the Advancement of Telehealth (OAT) created a set of performance measures that grantees can use to evaluate the effectiveness of their services programs and monitor their progress through the use of performance reporting data. As required by the Government Performance and Review Act of 1993 (GPRA), all Federal agencies must develop strategic plans describing their overall goal and objectives. OAT has worked with its grantees to develop performance measures to be used to evaluate and monitor the progress of the grantees. Grantee goals are to: improve access to needed services; reduce rural practitioner isolation; improve health system productivity and efficiency; and improve patient outcomes. In each of these categories, specific indicators were designed to be reported through a performance monitoring Web site.

The estimates of burden are as follows:

Form	Number of respondents	Average number of responses per respondent	Total responses	Hours per response	Total burden hours
Performance Measurement Tool	667	2	1,334	7	9,338

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to the desk officer for HRSA, either by e-mail to OIRA_submission@omb.eop.gov or by fax to 202–395–6974. Please direct all correspondence to the “attention of the desk officer for HRSA.”
