

Period of Review

The POR is December 1, 2008, through November 30, 2009.

Scope of the Order

The product covered by the order is honey from Argentina. The products covered are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form.

The merchandise subject to the order is currently classifiable under subheadings 0409.00.00, 1702.90.90, and 2106.90.99 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs, the Department's written description of the merchandise under this order is dispositive.

Rescission, in Part, of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.

Based on petitioners' and respondents' withdrawal of their requests of administrative review within the 90-day deadline, the Department is rescinding, in part, the antidumping duty administrative review on honey from Argentina for the period December 1, 2008 to November 30, 2009 with respect to the following companies: AGLH S.A., Algodonera Avellaneda S.A., Alimentos Naturales-Natural Foods, Alma Pura, Bomare S.A., Compania Apicola Argentina S.A., El Mana S.A., Interrupcion S.A., Mielar S.A., Miel Ceta SRL., Productos Afer S.A., Seabird Argentina S.A., Honey Max, Nexco, and ACA.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for

which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department has determined it is not practicable to complete this review within the statutory time limit because we require additional time to gather cost of production data for Patagonik's suppliers of honey and sales information from CIPSA. The time needed to analyze cost of production data and CIPSA's sales information and to develop fully the record in this administrative review makes it impracticable to complete the preliminary results of this review within the originally specified time limit. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review to the maximum of 365 days.

Tolling of Deadlines

In addition, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5, through February 12, 2010, as explained in the memorandum from the Deputy Assistant Secretary (DAS) for Import Administration. Thus, all deadlines in this segment of the proceeding were extended by seven days. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding

"Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010. Therefore, the deadline for the preliminary results of this review became no later than January 7, 2011. We intend to issue the final results no later than 120 days after publication of the notice of our preliminary results of review.

Notification to Parties

This notice serves as a reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of time. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 351.213(d)(4) of the Department's regulations and sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: September 8, 2010.

Background

(January 29, 2010) (“*Initiation Notice*”). The current deadline for the preliminary results of this administrative review is September 9, 2010.¹

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Extension of Time Limit for Preliminary Results

The Department requires additional time to review and analyze the status of entries subject to this administrative review. Thus, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, by September 9, 2010). Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of the preliminary results by 120 days. The preliminary results are now due no later than January 7, 2011. The final results continue to be due 120 days after publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.
