

on the Exchange's trading facilities are already subject to rules and procedures that are separate and apart from member organizations that are not located on the Exchange's trading floor. While the Exchange does have rules which govern a member organization's order and decorum while on the Exchange's trading floor, the Exchange believes that requiring such member organizations to also obtain insurance coverage to protect the Exchange from claims resulting from their own conduct is not an undue burden.

The Exchange's trading floor environment must be free from conduct that could distract or interfere with market activity as well as conduct which could deplete the Exchange's resources and divert staff when dealing with claims and litigation that results from the conduct of a member organization or associated person of that member organization. The Exchange believes that this proposal will conserve Exchange resources and provide additional coverage for member organizations as well because they are also subject to the coverage.

The Exchange believes that amending Rule 652 to add officers, directors and employees in addition to the Exchange serves to further clarify Rule 652 by making clear that the word Exchange includes such individuals.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

[Release No. 34-62893; File No. SR-NASDAQ-2010-113]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify Fees for Members Using the NASDAQ Market Center

September 10, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 7, 2010, The NASDAQ Stock Market LLC ("NASDAQ") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASDAQ. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

NASDAQ proposes to modify pricing for NASDAQ members using the NASDAQ Market Center. NASDAQ will implement the proposed change on September 7, 2010. The text of the proposed rule change is available at <http://nasdaq.cchwallstreet.com/>, at NASDAQ's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASDAQ included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASDAQ has prepared summaries, set forth in Sections A, B, and C below, of

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ is modifying its fee for routing orders to the New York Stock Exchange ("NYSE") closing auction to reflect a change recently made by NYSE to the fee that it charges for orders executed in the auction.³ As a result of the change, the fee charged by NASDAQ for DOT Orders for stocks priced at \$1.00 or more that execute in the NYSE closing process as a "market-at-the-close" or "limit-at-the-close" order will increase from \$0.0007 to \$0.00085 per share executed. Similarly, for most "market-at-the-close" or "limit-at-the-close" orders executed at NYSE, NYSE has raised the fee from \$0.0007 to \$0.00085 per share executed.⁴

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and with Section 6(b)(4) of the Act,⁶ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which NASDAQ operates or controls. The change reflects an increase in the fee that NYSE charges to NASDAQ when it routes orders to the NYSE closing auction, and is equitably allocated to members based on their use of orders that route to NYSE.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

³ Securities Exchange Act Release No. 62826 (September 1, 2010) (SR-NYSE-2010-63).

⁴ The exception is for stocks with a share price less than \$1.00, for which NYSE formerly charged the lesser of [sic] \$0.0007 per share executed or 0.3% of the transaction cost, and for which it will now charge the lesser of \$0.00085 per share executed or 0.3% of the transaction cost. NASDAQ charges a uniform fee of 0.3% of the transaction cost for all routed orders for stocks with a share price of less than \$1.00.

⁶ 15 U.S.C. 78f(b)(4).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.⁷ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
