**SUPPLEMENTARY INFORMATION:****Project Name and Description**

The primary proposal is redevelopment of the Sunset Terrace public housing community, a Renton Housing Authority property of approximately 100 existing units in 50-year old, two story structures, located at the intersection of Sunset Boulevard and Harrington Avenue on approximately eight acres. The Renton Housing Authority also owns another approximately 3 acres of vacant land along Edmonds Avenue, NE., Glenwood Avenue, NE., and Sunset Lane, NE., and intends to purchase additional property adjacent to Sunset Terrace along Harrington Avenue NE. for housing and associated services. Sunset Terrace was developed in approximately 1960 though the rest of the neighborhood largely developed between the 1940s and 1970s. Conceptual plans propose redevelopment of Sunset Terrace and adjacent properties with mixed-income, mixed-use residential and commercial space and public amenities. It is expected that with the Sunset Terrace property and associated properties owned or purchased by Renton Housing Authority, that up to 200 additional new affordable housing units and potentially 300 new moderate income to market rate housing units could be created. There would be a 1-to-1 unit replacement for all 100 existing public housing units. Public amenities would be integrated with the residential development and may include the following: a community gathering space or "Third Place"; a new recreation/community center; a new library; a new park/open space; retail shopping and commercial space; and/or green infrastructure.

As a result of the Sunset Terrace redevelopment, it is expected that private redevelopment in the neighborhood will be catalyzed. Supporting both Sunset Terrace and neighborhood redevelopment will be civic investments including: planned or anticipated upgrades to Sunset Boulevard (SR 900) and other local streets, stormwater drainage systems, parks and recreation facilities,
