Title: Interagency Guidance on Asset Securitization Activities.

OMB Number: 3064–0137.

Frequency of Response: On occasion.

Affected Public: Insured state nonmember banks involved in asset securitization activities.

General Description of Collection: The collection applies to institutions engaged in asset securitization and consists in recordkeeping requirements associated with developing or upgrading a written asset securitization policy, documenting fair value of retained interests, and a management information system to monitor securitization activities.
