

chaired by the Sanctuary Advisory Council Chair, a Research Committee chaired by the Research Representative, an Education Committee chaired by the Education Representative, and a Conservation Committee chaired by the Conservation Representative, each respectively dealing with matters concerning research, education and resource protection.

The council represents the coordination link between the sanctuary and the state and federal management agencies, user groups, researchers, educators, policy makers, and other various groups that help to focus efforts and attention on the humpback whale and its habitat around the main Hawaiian Islands.

The council functions in an advisory capacity to the sanctuary management and is instrumental in helping to develop policies and program goals, and to identify education, outreach, research, long-term monitoring, resource protection and revenue enhancement priorities. The council works in concert with the sanctuary management by keeping him or her informed about issues of concern throughout the sanctuary, offering recommendations on specific issues, and aiding in achieving the goals of the sanctuary within the context of marine programs and policies of Hawai'i.

**SUPPLEMENTARY INFORMATION:**

#### Background

On August 2, 2010, the Department published its affirmative final determination in the countervailing duty investigation of MCBs from the PRC. *See Certain Magnesite Carbon Bricks from the People's Republic of China: Final Affirmative Countervailing Duty Determination*, 75 FR 45472 (August 2, 2010) (*Final Determination*). On September 8, 2010, the ITC notified the Department of its final determination pursuant to section 705(b)(1)(A)(i) of the Tariff Act of 1930, as amended (the Act), that an industry in the United States is materially injured by reason of imports of merchandise from the PRC found to be subsidized by the Department's final determination. *See* section 705(a)(1) of the Act; *see also Final Determination*. In addition, the ITC notified the Department of its final determination that critical circumstances do not exist with respect to imports of subject merchandise from the PRC that are
