Product Cancellation Order for Certain Pesticide Registrations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; withdrawal of notice.

SUMMARY: This notice announces EPA's order for the cancellations, voluntarily requested by the registrant and accepted by the Agency, of the products listed in Table 1 of Unit II, pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows a February 2, 2010, **Federal Register** Notice of Receipt of Requests from the registrant listed in Table 2 of Unit II., to voluntarily cancel these product registrations. This cancellation order also follows an April 7, 2010, **Federal Register** notice, which includes (in part) duplicative notice of the same requests. With respect to the

products that are the subject of this order, the duplicative portions of the April 7, 2010, notice were issued in error and are hereby withdrawn. In the February 2, 2010, notice, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 180-day comment period that would merit its further review of these requests, or unless the registrant withdrew their request. The Agency received comments on the notice but none merited its further review of the requests. Further, the registrant did not withdraw their request. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stock provisions.

DATES: The cancellations are effective October 14, 2010.
