Title of Proposal: Housing Trust Fund.

OMB Control Number, if applicable: 2506-Pending.

Description of the need for the information and proposed use: Under Section 1338 of the Federal Housing Enterprises Financial Safety and Soundness Act of Public Law 101-625 (104 Stat. 4079), Title II of the Cranston-Gonzalez National Affordable Housing Act of 1992 and by the Federal Housing Finance Regulatory Reform Act of 2008, as amended, established the Housing Trust Fund (HTF) Program Rule. In accordance with the statute the Act requires a percentage of the unpaid principal balance of total new business for Freddie Mac and Fannie Mae to be allocated as a dedicated source of annual funding for the HTF, unless allocations are suspended by the Director of the Federal Housing Finance

Agency. HUD will allocate HTF funds by formula to eligible states or state-designated entities to increase and preserve the supply of decent, safe, sanitary, and affordable housing, with primary attention to rental housing for extremely low-income and very low-income households. The amount of funds available by the formula is the balance remaining after providing for other purposes authorized by Congress, in accordance with the Act and Appropriations. At least 80% of the funds must be spent on rental housing and no more than 10% may be spent to assist first-time homebuyers. The remaining 10% may be used for administration. States may choose to administer HTF funds directly or may assign all or part of the funds to subgrantees to administer its allocation, such as a state housing finance agency or units of local government. States may use HTF funds for the production, preservation, and rehabilitation of affordable rental housing and affordable housing for homeownership through the acquisition, new construction, reconstruction, or rehabilitation of non-luxury affordable housing with suitable amenities. States and/or designated entities will ensure housing compliance with title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Section 109 of Title I of the Housing and Community Development Act of 1974, HUD's implementing regulations, and promotion of greater choice of housing opportunities.

Under the HTF Statute, HUD will collect data and produce reports on the Department and on HTF program participants. Information on assisted properties, as well as the owners or tenants of the properties, is needed to determine compliance with the statutory requirements.
