The Subcommittee for Dose Reconstruction Reviews was established to aid the Advisory Board in carrying out its duty to advise the Secretary, HHS, on dose reconstruction.

**Matters to be Discussed:** The agenda for the Subcommittee meeting includes: Selection of individual radiation dose reconstruction cases to be considered for review by the Advisory Board; selection of individual radiation dose reconstruction cases to be considered for review by the Procedures Subcommittee for the evaluation of Program Evaluation Reports; discussion of dose reconstruction cases under review (sets 7–9); OCAS dose reconstruction quality management and assurance activities.
