SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63116; File No. SR-NYSEArca-2010-89]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending NYSE Arca Equities Rule 7.37, Order Execution, To Clarify Users' Ability To Instruct NYSE Arca To Bypass Non-Regulation NMS Protected Market Centers When Routing Away

October 15, 2010.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act") and Rule 19b-4 thereunder,² notice is hereby given that, on October 13, 2010, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Equities Rule 7.37, Order Execution, to clarify Users' ability to instruct NYSE Arca to bypass non-Regulation NMS protected market centers when routing away. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, at the Commission's

Web site at <http://www.sec.gov>, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Arca Equities Rule 7.37, Order Execution, to clarify Users' ability to instruct NYSE Arca when routing eligible unexecuted orders to bypass any market centers that are not posting Protected Quotations within the meaning of Regulation NMS.

In March 2008, NYSE Arca Equities began offering clients access to undisplayed liquidity via Indications of Interest by adding several new routing venues ("IOI Routing Functionality"). In May 2008, NYSE Arca Equities provided Users the ability to opt out of this IOI Routing Functionality. Users are currently able to opt out of IOI Routing Functionality while retaining the ability to use the full array of routable orders by marking any routable order as not eligible to route to market centers that are not posting Protected Quotations.

In order to increase awareness of this option, the Exchange now proposes to add the following text to proposed Rule 7.37(d)(4):

For an order that has not been executed in its entirety pursuant to paragraphs (a) through (c) of this Rule, and which is otherwise eligible to route away, Users may instruct NYSE Arca to bypass any market centers that are not posting Protected Quotations within the meaning of Regulation NMS.

The Exchange also notes that the proposed rule is substantially similar to Nasdaq Rule 4758 (1)(A)(iv).

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)³ of the Act, in general, and furthers the objectives of

Section 6(b)(5)⁴ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the proposed amendment is consistent with the goal of removing impediments to a free and open market because the changes proposed herein will clarify currently existing routing options designed to give Users flexibility and control over how their orders route to away market centers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(6)(iii) thereunder.⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

⁴ 15 U.S.C. 78f(b)(5).

⁵ 15 U.S.C. 78s(b)(3)(A).

⁶ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
