SUPPLEMENTARY INFORMATION:

Authority: The CAFTA–DR Agreement; Section 203(o)(4) of the Dominican Republic–Central America–United States Free Trade Agreement Implementation Act (“CAFTA–DR Implementation Act”), Pub. L. 109–53; the Statement of Administrative Action, accompanying the CAFTA–DR Implementation Act; and Presidential Proclamations 7987 (February 28, 2006) and 7996 (March 31, 2006).

Background

The CAFTA–DR Agreement provides a list in Annex 3.25 for fabrics, yarns, and fibers that the Parties to the CAFTA–DR Agreement have determined are not available in commercial quantities in a timely manner in the territory of any Party. The CAFTA–DR Agreement provides that this list may be modified pursuant to Article 3.25(4)–(5), when the President of the United States determines that a fabric, yarn, or fiber is not available in commercial quantities in a timely manner in the territory of any Party. See Annex 3.25 of the CAFTA–DR Agreement; see also section 203(o)(4)(C) of the CAFTA–DR Implementation Act.

The CAFTA–DR Implementation Act requires the President to establish procedures governing the submission of a request and providing opportunity for interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamations 7987 and 7996, the President delegated to CITA the authority under section 203(o)(4) of CAFTA–DR Implementation Act for modifying the Annex 3.25 list. Pursuant to this authority, on September 15, 2008, CITA published modified procedures it would follow in considering requests to modify the Annex 3.25 list of products determined to be not commercially available in the territory of any Party to CAFTA–DR (Modifications to Procedures for Considering Requests Under the Commercial Availability Provision of the Dominican Republic–Central America–United States Free Trade Agreement, 73 FR 53200) (“CITA’s procedures”).

On September 22, 2010, the Chairman of CITA received a Request for a Commercial Availability Determination (“Request”) from Elder Manufacturing Company, Inc. for certain woven flannel fabrics of polyester, rayon, and acrylic. On September 24, 2010, in accordance with CITA’s procedures, CITA notified interested parties of the Request, which was posted on the dedicated Web site for CAFTA–DR Commercial Availability proceedings. In its notification, CITA advised that any Response with an Offer to Supply (“Response”) must be submitted by October 6, 2010, and any Rebuttal Comments to a Response (“Rebuttal”) must be submitted by October 13, 2010, in accordance with Sections 6 and 7 of CITA’s procedures. No interested entity submitted a Response to the Request advising CITA of its objection to the Request and its ability to supply the subject product.

In accordance with section 203(o)(4)(C) of the CAFTA–DR Implementation Act, and Section 8(c)(2) of CITA’s procedures, as no interested entity submitted a Response objecting to the Request and demonstrating its ability to supply the subject product, CITA has determined to add the specified fabric to the list in Annex 3.25 of the CAFTA–DR Agreement.

The subject product has been added to the list in Annex 3.25 of the CAFTA–DR Agreement in unrestricted quantities. A revised list has been posted on the dedicated Web site for CAFTA–DR Commercial Availability proceedings.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Trademark Law Treaty Implementation Act of 1998 (Pub. L.

105-330, § 302, 112 Stat. 3071) required the United States Patent and Trademark Office (USPTO) to study issues surrounding the protection of the official insignia of federally- and State-recognized Native American tribes under trademark law. The USPTO conducted the study and presented a report to the House and Senate Judiciary Committees on November 30, 1999. One of the recommendations made in the report was that the USPTO create and maintain an accurate and comprehensive database containing the official insignia of all federally- and State-recognized Native American tribes. In accordance with this recommendation, the Senate Committee on Appropriations directed the USPTO to create this database.

The USPTO database of official tribal insignias assists trademark attorneys in their examination of applications for trademark registration. Additionally, the database provides evidence of what a federally- or State-recognized Native American tribe considers to be its official insignia. The database serves as a reference for examining attorneys when determining the registrability of a mark that may falsely suggest a connection to the official insignia of a Native American tribe. The database is also available to the public on the USPTO Web site.

Tribes are not required to request that their official insignia be included in the database. The entry of an official insignia into the database does not confer any rights to the tribe that submitted the insignia, and entry is not the legal equivalent of registering the insignia as a trademark under 15 U.S.C. 1051 *et seq.* The inclusion of an official tribal insignia in the database does not create any legal presumption of validity or priority, does not carry any of the benefits of Federal trademark registration, and is not a determination as to whether a particular insignia would be refused registration as a trademark pursuant to 15 U.S.C. 1051 *et seq.*

Requests from federally-recognized tribes to enter an official insignia into the database must be submitted in writing and include: (1) A depiction of the insignia, including the name of the tribe and the address for correspondence; (2) a copy of the tribal resolution adopting the insignia in question as the official insignia of the tribe; and (3) a statement, signed by an official with authority to bind the tribe, confirming that the insignia included with the request is identical to the official insignia adopted by the tribal resolution.

Requests from State-recognized tribes must also be in writing and include each of the three items described above that are submitted by federally-recognized tribes. Additionally, requests from State-recognized tribes must include either: (a) A document issued by a State official that evidences the State's determination that the entity is a Native American tribe; or (b) a citation to a State statute designating the entity as a Native American tribe. The USPTO enters insignia that have been properly submitted by federally- or State-recognized Native American tribes into the database and does not investigate whether the insignia is actually the official insignia of the tribe making the request.

This collection includes the information needed by the USPTO to enter an official insignia for a federally- or State-recognized Native American tribe into a database of such insignia. No forms are associated with this collection.
