Office of the Director, National Institutes of Health; Notice of Meeting

Pursuant to section 10(a) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the Scientific Management Review Board.

The NIH Reform Act of 2006 (Pub. L. 109-482) provides organizational authorities to HHS and NIH officials to: (1) Establish or abolish national research institutes; (2) reorganize the offices within the Office of the Director, NIH including adding, removing, or transferring the functions of such offices or establishing or terminating such offices; and (3) reorganize divisions within an NIH national research institute or national center including adding, removing, or transferring the functions of such units, or establishing or terminating such units. The purpose of the Scientific Management Review Board (also referred to as SMRB or Board) is to advise appropriate HHS and NIH officials on the use of these organizational authorities and identify the reasons underlying the recommendations.

The meeting will be open to the public.

Name of Committee: Scientific Management Review Board.

Date: November 10, 2010.

Time: 1 p.m. to 2 p.m.

Agenda: Presentation and discussion will focus on the most recent charge to the SMRB, which entails (1) identifying the attributes, activities, and functional capabilities of an effective translational medicine program for advancing therapeutics; and (2) broadly assessing, from a high-level view, the NIH landscape for extant programs, networks, and centers for inclusion in this network and
