

reconstruction efforts performed for this program; and (c) upon request by the Secretary, HHS, advise the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class.

Matters To Be Discussed: The agenda for the Advisory Board meeting includes: NIOSH Program Update and Program Evaluation; Department of Labor (DOL) Program Update; Department of Energy (DOE) Program Update; Los Alamos National Laboratory Work Group Update; Board Session to Discuss Evaluating Exposure Potential for Radiological Materials in Minor Quantities or Uses; SEC petitions for: Linde Ceramics Plant (Tonawanda, New York), General Electric Company (Evendale, Ohio), Dow Chemical (Madison, Illinois), Simonds Saw and Steel Company (Lockport, New York), Hangar 481 of Kirkland Airforce Base (Albuquerque, New Mexico), BWX Technologies (Lynchburg, Virginia), and Texas City Chemicals Inc. (Texas City, Texas); SEC Petition Status Updates; SEC Class Definition Assessment Report; Subcommittee and Work Group Reports; and Board Work Sessions.

The agenda is subject to change as priorities dictate.

In the event an individual cannot attend, written comments may be submitted in accordance with the redaction policy provided below. Any written comments received will be provided at the meeting and should be submitted to the contact person below well in advance of the meeting.

Policy on Redaction of Board Meeting Transcripts (Public Comment): (1) If a person making a comment gives his or her name, no attempt will be made to redact that name; (2) NIOSH will take reasonable steps to ensure that individuals making public comment are aware of the fact that their comments (including their name, if provided) will appear in a transcript of the meeting posted on a public Web site. Such reasonable steps include: (a) A statement read at the start of each public comment period stating that transcripts will be posted and names of speakers will not be redacted; (b) A printed copy of the statement mentioned in (a) above will be displayed on the table where individuals sign up to make public comments; (c) A statement such as outlined in (a) above will also appear with the agenda for a Board Meeting when it is posted on the NIOSH Web site; (d) A statement such as in (a) above

will appear in the **Federal Register** Notice that announces Board and Subcommittee meetings; (3) If an individual in making a statement reveals personal information (e.g., medical information) about themselves that information will not usually be redacted. The NIOSH FOIA coordinator will, however, review such revelations in accordance with the Freedom of Information Act and the Federal Advisory Committee Act and if deemed appropriate, will redact such information; (4) All disclosures of information concerning third parties will be redacted; and (5) If it comes to the attention of the DFO that an individual wishes to share information with the Board but objects to doing so in a public forum, the DFO will work with that individual, in accordance with the Federal Advisory Committee Act, to find a way that the Board can hear such comments.
