SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold an Open Meeting on November 19, 2010 at 10 a.m., in the Auditorium, Room L-002.

The subject matter of the Open Meeting will be:

1. The Commission will consider whether to propose new rules and rule amendments under the Investment Advisers Act of 1940 to implement provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act. These rules and rule amendments are designed to give effect to provisions

of Title IV of the Dodd-Frank Act that, among other things, increase the statutory threshold for registration by investment advisers with the Commission, require advisers to hedge funds and other private funds to register with the Commission, and address reporting by certain investment advisers that are exempt from registration.

2. The Commission will consider whether to propose rules that would implement new exemptions from the registration requirements of the Investment Advisers Act of 1940 for advisers to venture capital funds and advisers with less than \$150 million in private fund assets under management in the United States. These exemptions were enacted as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act. The proposed rules also would clarify the meaning of certain terms included in a new exemption for foreign private advisers.

3. The Commission will consider whether to propose new rules under Section 763(i) of the Dodd-Frank Wall Street Reform and Consumer Protection Act governing the security-based swap data repository registration process, the duties of such repositories, and the core principles applicable to such repositories.

4. The Commission will consider whether to propose Regulation SBSR under Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act to provide for the reporting of security-based swap information to registered security-based swap data repositories or the Commission and the public dissemination of security-based swap transaction, volume, and pricing information.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.

For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact: The Office of the Secretary at (202) 551-5400.

Dated: November 12, 2010.

Elizabeth M. Murphy,
Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63285; File No. SR-BX-2010-074]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify Fees for the NASDAQ OMX BX Equities System

November 9, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 27, 2010, NASDAQ OMX BX, Inc. ("BX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by BX. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

BX proposes to modify pricing for BX members using the NASDAQ OMX BX Equities System. BX will implement the proposed change on November 1, 2010. The text of the proposed rule change is available at <http://nasdaqomxbx.cchwallstreet.com>, at BX's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. BX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX is proposing to modify its fees for trades that execute at prices at or above \$1.

BX has a pricing model under which members are charged for the execution

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

of quotes/orders posted on the BX book (*i.e.*, quotes/orders that provide liquidity), while providing a rebate to orders that access liquidity. Currently, the charge to provide liquidity is \$0.0003 per share executed, while the rebate for accessing liquidity is \$0.0001 per share executed. Effective November 1, 2010, BX will increase the rebate for accessing liquidity to \$0.0002 per share executed. In addition, BX will introduce a tiered pricing structure for the fee to add liquidity, under which members adding a daily average of more than 50 million shares of liquidity during a month will be charged \$0.00025 per share executed, while members adding a daily average of 50 million or fewer shares during the month will be charged \$0.0004 per share executed. Thus, while the fee change will result in a small fee increase for members providing low volumes of liquidity on BX, it will reduce fees charged to members providing higher volumes of liquidity and members accessing liquidity. The fee changes are reflective of the ongoing intense level of competition for order flow in the cash equities markets.³

2. Statutory Basis

BX believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Section 6(b)(4) of the Act,⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which BX operates or controls. The impact of the price changes upon the net fees paid by a particular market participant will depend upon a number of variables, including the relative availability of liquidity on BX and other venues, the prices of the market participant's quotes and orders relative to the national best bid and offer (*i.e.*, its propensity to add or remove liquidity), and the volume of liquidity provided by the member.

BX notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. Accordingly, if particular market participants object to the proposed fee changes, they can avoid

paying the fees by directing orders to other venues. BX believes that its fees continue to be reasonable and equitably allocated to members on the basis of whether they opt to direct orders to BX.

B. Self-Regulatory Organization's Statement on Burden on Competition

BX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Because the market for order execution and routing is extremely competitive, members may readily direct orders to BX's competitors if they object to the proposed rule change.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.⁶ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments
