

determined that it is sufficient in addressing the scope of activities identified in the IHA application, marine mammals potentially impacted by those specified activities, and the range of those impacts. NMFS made the USMC's EA available for public comment during the public comment period on the proposed IHA (75 FR 32389). NMFS has adopted the EA for its purposes of issuing an incidental take authorization to the USMC and will not prepare a separate EA. Based on review of the EA and comments received during the public comment period, NMFS has prepared a FONSI which is available upon request (*see ADDRESSES*). Therefore, preparation of an Environmental Impact Statement is not necessary for this action.

Additions

If the Committee approves the proposed additions, the entities of the Federal Government identified in this

notice will be required to procure the services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will provide the services to the Government.

2. If approved, the action will result in authorizing small entities to provide the services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the services proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.
