

amendments, Belarus General License No. 1–D, extended the authorization for all transactions between U.S. persons and Lakokraska OAO and/or Polotsk Steklovolokno OAO until November 30, 2010.

The BSR were published on February 3, 2010 (75 FR 5502). Section 548.509 of the BSR memorialized General License No. 1, as amended, and authorized all transactions between U.S. persons and Lakokraska OAO and/or Polotsk Steklovolokno OAO for a limited period of time. Today, OFAC is amending section 548.509(a) of the BSR to extend the authorization until May 31, 2011. U.S. persons may continue to engage in all transactions otherwise prohibited by the BSR with Lakokraska OAO and/or Polotsk Steklovolokno OAO, except that, as provided in section 548.509(b), any property and interests in property that were blocked prior to September 4, 2008, still remain blocked.

This rule also corrects a typographical error in the BSR’s authority citation.

Public Participation

Because the amendments of the Regulations involve a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the “Reporting, Procedures and Penalties Regulations”). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505–0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.
