

With respect to the first request, the USTR noted that the Commission in its August 2010 report correctly included descriptions specifying that footwear falling under the certain new tariff lines under current HTS subheadings 6404.11 and 6404.19 feature uppers of textile material other than vegetable fibers. The USTR further noted, however, that, because these descriptions appeared for the first time in the final report, interested parties may not have recognized the need to submit information on the tariff classification and rate of duty applied to imports in liquidated and undisputed entries of other footwear (e.g., having uppers of man-made fibers) falling into these new subheadings, so that the Commission could maintain tariff rate neutrality in making its recommendation.

With regard to the second request, the USTR noted that, shortly before the Commission issued its August 2010 report and recommendation, two interested parties, the FDRA and Pro Line, submitted copies of documents that, in their view, supported the need for the Commission to propose additional tariff lines under headings 6401 and 6402. The USTR noted that the Commission report indicated that the FDRA requested the addition of tariff lines under subheadings 6402.91.90 and 6402.99.40 for certain footwear, and that Pro Line requested an additional tariff line under subheading 6401.99 for other footwear. The USTR noted that the Commission did not recommend including these additional tariff lines and indicated that additional time could have been useful to the Commission in evaluating the information provided by the FDRA and Pro Line in that context.

For an up-to-date copy of the HTS, which incorporates the international Harmonized System in its structure, see the Commission's Web site at <http://www.usitc.gov/tata/hts/bychapter/index.htm>.

Written Submissions: Interested parties are invited to submit written copies of liquidated entries by December 22, 2010. The entry documentation solicited by the Commission in this notice should be for import entries liquidated before April 13, 2010, and covering footwear (1) having an outer sole with textile materials having the greatest surface area in contact with the ground; (2) currently classified under heading 6405; and (3) subject to reclassification under subheading 6404.11 or 6404.19 as a result of the Commission's recommendation set out in its August 2010 report. Recommendations in the Commission's addendum will be

limited to the possible new tariff subheadings specified in the USTR's request letter of November 8, 2010, and will not address any other facet of the Commission's August 2010 recommendation.

The Commission will post its proposed recommendations on this matter on its Web site at http://www.usitc.gov/tariff_affairs/modifications_hts.htm by December 29, 2010. Interested Federal agencies and the public may file views on these proposed modifications by January 12, 2011.

All written submissions should be addressed to the Secretary and received no later than December 22, 2010 (for copies of the liquidated entries described above), and no later than January 12, 2011 (with regard to Commission's proposed recommendations). Submissions should be marked to refer to "Investigation No. 1205-8 (Addendum)". All written submissions must conform with the provisions of section 201.8 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 requires that a signed original (or a copy so designated) and fourteen (14) copies of each document be filed. In the event that confidential treatment of a document is requested, at least four (4) additional copies must be filed, in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, http://www.usitc.gov/docket_services/documents/handbook_on_electronic_filing.pdf). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000).

Any submissions that contain confidential business information must also conform with the requirements of section 201.6 of the *Commission's Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by the public. Any confidential business information received in the course of

the investigation may be included in the report that the Commission sends to the USTR and the President and may be made available to U.S. Customs and Border Protection and to the U.S. Census Bureau. The Commission will not otherwise publish or release any confidential business information received, nor release it to other government agencies or other persons.

Issued: November 30, 2010.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
