Foreign-Trade Zones Board

[Docket 69-2010]

**Proposed Foreign-Trade Zone—
Terrebonne Parish, LA; Under
Alternative Site Framework;
Application Filed**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Houma-Terrebonne Airport Commission to establish a general-purpose foreign-trade zone at sites in Terrebonne Parish, Louisiana, adjacent to the Morgan City Customs and Border Protection (CBP) port of entry, under the alternative site framework (ASF) adopted by the Board (74 FR 1170-1173, 1/12/09 (correction 74 FR 3987, 1/22/09); 75 FR 71069-71070, 11/22/10). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on December 6, 2010. The applicant is authorized to make the proposal under the Louisiana Revised Statutes, Title 51, Sections 61-65.

The proposed zone would be the second general-purpose zone for the Morgan City CBP port of entry. The existing zone is as follows: FTZ 261, Alexandria, Louisiana (Grantee: Board of Commissioners of the England Economic and Industrial Development District, Board Order 1325, 4/21/2004).

The applicant's proposed service area under the ASF would be Terrebonne Parish, Louisiana. If approved, the applicant would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is adjacent to the Morgan City Customs and Border Protection port of entry.

The proposed zone would initially include two "magnet" sites in Terrebonne Parish: *Proposed Site 1*
