RAILROAD RETIREMENT BOARD

Proposed Data Collection(s) Available for Public Comment and Recommendations

SUMMARY: In accordance with the requirement of Section 3506 (c)(2)(A) of

the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collections are necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden for the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

1. Title and Purpose of Information Collection

Representative Payee Parental Custody Monitoring; OMB 3220-0176.

Under Section 12 (a) of the Railroad Retirement Act (RRA), the Railroad Retirement Board (RRB) is authorized to select, make payments to, and to conduct transactions with, a beneficiary's relative or some other person willing to act on behalf of the beneficiary as a representative payee. The RRB is responsible for determining if direct payment to the beneficiary or payment to a representative payee would best serve the beneficiary's interest. Inherent in the RRB's authorization to select a representative payee is the responsibility to monitor the payee to assure that the beneficiary's interests are protected. The RRB utilizes Form G-99d, Parental Custody Report, to obtain information needed to verify that a parent-for-child representative payee still has custody of the child. One response is required from each respondent. The RRB proposes no changes to Form G-99d.

The estimated annual respondent burden is as follows:

Form #(s)	Annual responses	Time (min)	Burden (hrs)
G-99d	1,030	5	86

2. Title and Purpose of Information Collection

Report of Medicaid State Office on Beneficiary's Buy-In Status; OMB 3220-0185.

Under Section 7(d) of the Railroad Retirement Act, the RRB administers the Medicare program for persons covered by the railroad retirement system. Under Section 1843 of the Social Security Act, states may enter into "buy-in agreements" with the Secretary of

Health and Human Services for the purpose of enrolling certain groups of low-income individuals under the Medicare medical insurance (Part B) program and paying the premiums for their insurance coverage. Generally, these individuals are categorically needy under Medicaid and meet the eligibility requirements for Medicare Part B. States can also include in their buy-in agreements, individuals who are eligible for medical assistance only. The RRB uses Form RL-380-F, Report to

State Medicaid Office, to obtain information needed to determine if certain railroad beneficiaries are entitled to receive Supplementary Medical Insurance program coverage under a state buy-in agreement in states in which they reside. Completion of Form RL-380-F is voluntary. One response is received from each respondent. The RRB proposes no changes to Form RL-380-F.

The estimated annual respondent burden is as follows:

Form #(s)	Annual responses	Time (min)	Burden (hrs)
RL-380-F	600	10	100

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751-3363 or send an e-mail request to Charles.Mierzwa@RRB.GOV. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63530; File No. SR-NASDAQ-2010-164]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Provide an Exemption from the Thirty-Day Written Notice Requirement of Rule 7018(i)(3)

December 10, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 9, 2010, The NASDAQ Stock Market LLC (“NASDAQ”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by NASDAQ. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

NASDAQ is proposing to modify the thirty-day written notice requirement applicable to a member firm seeking to withdraw as Designated Liquidity Provider.

The text of the proposed rule change is below. Proposed new language is italicized.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASDAQ included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASDAQ has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ is proposing to modify the thirty-day written notice requirement applicable to a member firm seeking to withdraw as Designated Liquidity Provider (“DLP”) in a Qualified Security³ to exempt member firms that are also withdrawing as a market maker in the Qualified Security. NASDAQ recently amended Rule 7018(i) to include new subparagraph (3), discussing DLP performance requirements and adopting a 30 day written notice requirement of a member firm’s desire to withdraw as a DLP in a Qualified Security.⁴ Specifically, NASDAQ described the consequences of failing to meet the DLP minimum performance criteria described in Rule 7018(i)(2) and adopted a thirty-day prior notice obligation on DLPs seeking to withdraw registration in a Qualified Security. The thirty-day notice requirement was adopted to ensure that NASDAQ has adequate time to assign a new DLP, thus avoiding any disruption

³ To be designated as a “Qualified Security,” Rule 7018(i)(1) requires that the security is an exchange-traded fund or index-linked security listed on Nasdaq pursuant to Nasdaq Rules 5705, 5710, or 5720, and that it has at least one Designated Liquidity Provider.

⁴ Securities Exchange Act Release No. 63040 (October 5, 2010), 75 FR 63238 (October 14, 2010) (SR–NASDAQ–2010–128).

in market quality that may be caused by the absence of an assigned DLP.

NASDAQ is proposing an exemption to the thirty-day written notice requirement limited to member firms seeking to withdraw both as a DLP and market maker in a Qualified Security. NASDAQ rules do not specify or require a minimum time of prior notice of a member firm’s desire to withdraw as a market maker in a particular security.⁵ As such, a member firm may withdraw from any given security the same day as notice is provided to NASDAQ. A member firm is, however, restricted from making a market in any security that it has withdrawn from for 20 days.⁶ To be a DLP, a member firm must be a registered market maker in the Qualified Security.⁷ Therefore, if a member firm withdraws its registration as a market maker in a Qualified Security, it is not eligible to act as a DLP.

NASDAQ adopted the thirty-day written notice of withdrawal requirement so that it would have adequate time to assign a new DLP as a replacement of the withdrawing member firm. Typically, a member firm would continue as a market maker in the security that it was withdrawing its DLP designation, and thus was able to avail itself of the benefits of making a market in the Qualified Security. NASDAQ believes that, in cases of complete withdrawal from market making in a Qualified Security, the thirty-day written notice of withdrawal requirement should not apply, since the member firm is not seeking to continue availing itself of the benefit of making a market in the security, but rather is completely withdrawing from making a market in the security. Such member firms have no intent to make markets in the security and are precluded from becoming a market maker in the security for 20 days. Accordingly, NASDAQ does not believe that compelling a member firm to participate as a market maker and DLP in a security during the thirty-day notice period is beneficial to the member firm or the quality of the market in the Qualified Security.

2. Statutory Basis

NASDAQ believes the proposed rule change is consistent with the provisions of Section 6 of the Act,⁸ in general and with Section 6(b)(5) of the Act,⁹ in particular, which requires that the rules of an exchange be designed to prevent fraudulent and manipulative acts and

⁵ Rule 4620(a).

practices, promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest. NASDAQ believes that the proposed rule change is consistent with these requirements because exempting member firms that are entirely withdrawing as a market maker in a Qualified Security from the thirty-day written notice requirement of Rule 7018(i)(3) eliminates an inconsistency in the current rules concerning the notice a market maker is required to provide NASDAQ when it determines to withdraw from making a market in Qualified Securities. NASDAQ believes a member firm should be able to withdraw from making a market in any security under the terms of Rule 4620(a) and not be subject to an additional notice requirement that was designed to apply to member firms that would continue to participate as a registered market maker in the security. Further, NASDAQ does not believe that compelling a member firm wishing to withdraw as a market maker in a Qualified Security to participate as a market maker and DLP in that security during the thirty-day notice period is beneficial to the member firm or the quality of the market in the Qualified Security.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section

19(b)(3)(A)¹⁰ of the Act and Rule 19b-4(f)(6) thereunder.¹¹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

NASDAQ has asked that the Commission waive the 30-day pre-operative waiting period contained in Rule 19b-4(f)(6)(iii).¹² NASDAQ has requested such waiver to quickly cure an unintended inconsistency in the notice requirements for withdrawing as a market maker in certain securities. Based on NASDAQ's representations that the proposed rule change is non-controversial and that no novel issues are presented in this proposed rule change, the Commission sees no reason to delay implementation of the proposed rule change. The Commission believes it is consistent with the protection of investors and the public interest to waive the 30-day operative delay, and hereby grants such waiver.¹³

IV. Solicitation of Comments
