The areas described aggregate 1,543.14, acres more or less, in Bear Lake County. The lands are not needed for any Federal purpose and disposal would be in the public interest. The 1988 BLM Pocatello Resource Management Plan identified these parcels of public land as suitable for disposal. Conveyance of the identified public lands will be subject to valid existing rights and encumbrances of record, including but not limited to, rights-of-way for roads and public utilities. A decision regarding the method of sale (competitive, modified competitive, or direct) along with a decision regarding conveyance of any mineral interests pursuant to Section 209 of the FLPMA will be analyzed for each parcel during processing of the proposed sale. The BLM Pocatello Field Office anticipates publication of a follow-up notice in the **Federal Register** detailing these specifics when they have been determined.

On December 17, 2010, the above-described lands will be segregated from all forms of appropriation under the public land laws, including the mining laws, except the sale provisions of the FLPMA. Until completion of the sale, the BLM will not accept land use applications affecting the identified public lands, except applications for the amendment of previously-filed right-of-way applications or existing authorizations to increase the term of the grants in accordance with 43 CFR 2807.15 and 2886.15. The segregative effect will terminate upon issuance of a patent, publication in the **Federal Register** of a termination of the segregation, or December 17, 2012, unless extended by the BLM State Director in accordance with 43 CFR 2711.1-2(d) prior to the termination date.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–476 and 731–TA–1179 (Preliminary)]

Multilayered Wood Flooring From China

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from China of multilayered wood flooring, provided for in subheadings 4409.10, 4409.29, 4412.31, 4412.32, 4412.39, 4412.94, 4412.99, 4418.71, 4418.72, 4418.79.00, and 4418.90 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV) and subsidized by the Government of China.

¹ The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

These investigations are being instituted in response to a petition filed on October 21, 2010, on behalf of the Coalition for American Hardwood Parity (“CAHP”), an ad hoc association of U.S. manufacturers of multilayered wood flooring. The following companies are members of the CAHP: Anderson Hardwood Floors, LLC, Fountain Inn, SC; Award Hardwood Floors, Wausau, WI; Baker's Creek Wood Floors, Inc., Edwards, MS; From the Forest, Weston, WI; Howell Hardwood Flooring, Dothan, AL; Mannington Mills, Inc., Salem, NJ; Nydree Flooring, Forest, VA; and Shaw Industries Group, Inc., Dalton, GA. Accordingly, effective October 21, 2010, the Commission instituted countervailing duty investigation No. 701–TA–476 and antidumping duty investigation No. 731–TA–1179 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of October 27, 2010 (75

FR 66126). The conference was held in Washington, DC, on November 12, 2010, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on December 6, 2010. The views of the Commission are contained in USITC Publication 4206 (December 2010), entitled *Multilayered Wood Flooring from China: Investigation Nos. 701–TA–476 and 731–TA–1179 (Preliminary)*.

Issued: December 13, 2010.

By order of the Commission.

Marilyn R. Abbott,

Secretary.
