

deadlines for submission of surrogate values, rebuttal comments and case briefs.² The final results are currently due no later than January 13, 2011.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires that the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

Due to the voluminous surrogate value data on the record and the additional time provided to parties to review and submit rebuttal comments and case briefs, the Department finds that it is not practicable to review the surrogate value data and analyze the case brief comments within the scheduled time limit. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is fully extending the time for the completion of the final results of these reviews to March 14, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 17, 2010.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE

International Trade Administration

Correction to Proposed Methodology for Respondent Selection in Antidumping Proceedings; Request for Comment

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Shauna Biby, Senior Import Policy Analyst, Office of Policy, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4267.

Correction and Clarification

On December 16, 2010, the Department of Commerce published in the Federal Register the following notice: *Proposed Methodology for Respondent Selection in Antidumping Proceedings; Request for Comment*, 75 FR 78678 (Dec. 16, 2010) (*Respondent Selection Notice*). After the publication of the *Respondent Selection Notice*, we identified an inadvertent error in this notice. Specifically, we inadvertently listed the deadline to file comments as both 30 days and 45 days following publication. The correct deadline for filing comments is 45 days after publication (*i.e.*, January 30, 2011). Because this date falls on a weekend, the deadline for filing comments is January 31, 2011.

Dated: December 17, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XA107

New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The New England Fishery Management Council's (Council) Herring Committee will meet to consider actions affecting New England fisheries in the exclusive economic zone (EEZ).

DATES: The meeting will be held on Thursday, January 20, 2011 at 9 a.m.

ADDRESSES: The meeting will be held at the Clarion Hotel, 1230 Congress Street, Portland, ME 04102; telephone: (207) 774-5611; fax: (207) 871-0510.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Paul J. Howard, Executive Director, New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION: The items of discussion in the committee's agenda are as follows:

1. The Herring Committee will continue development of catch monitoring alternatives for inclusion in Amendment 5 to the Atlantic Herring Fishery Management Plan (FMP); alternatives include management measures to: Adjust the fishery management program (administrative provisions, carrier vessels, transfers at sea, notification requirements, quota monitoring, reporting, and permit provisions); address at-sea monitoring, observer coverage levels, address maximized retention, and maximize sampling and address net slippage; address portside sampling, portside sampling program design, and measures to verify self-reported landings.

2. The Committee will also continue development of management measures and alternatives to address river herring bycatch for consideration in Amendment 5; alternatives may include identification of river herring hotspots and management alternatives to apply to those hotspots (sampling, monitoring, avoidance, protection).

3. They will review/discuss available information regarding the development of management measures spawning fish in Amendment 5, develop Committee recommendations.

4. They will develop recommendations for Council consideration regarding all of the management alternatives for inclusion in Amendment 5 Draft EIS (catch monitoring program, measures to address river herring bycatch, access to groundfish closed areas, protection of spawning fish).

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management
