SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The OMB is particularly interested in comments which: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Dated: December 22, 2010.

Darrin A. King,

Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management.

Institute of Education Sciences

Type of Review: New.

Title of Collection: School

Improvement Status and Outcomes for Students with Disabilities Study.

OMB Control Number: Pending.

Agency Form Number(s): N/A.

Frequency of Responses: One time.

Affected Public: Individuals or households; State, Local, or Tribal Government, State Educational Agencies or Local Educational Agencies.

Total Estimated Number of Annual Responses: 13,276.

Total Estimated Annual Burden Hours: 4,979.

Abstract: As part of the National Assessment of Individuals with Disabilities Education Act (IDEA) 2004 (Pub. L. 108-446), the Institute of Education Sciences is evaluating how schools being required to adopt programs focused on improving academic outcomes for students with disabilities. The focus of the study is examining trends in achievement amongst students with disabilities in both schools that are and are not accountable for the performance of those students. In addition, the study focuses on describing improvement efforts in schools that have failed to make adequate yearly progress for students with disabilities in particular grades and subjects. The evaluation will use EdFacts data as well as data from surveys of school principals and special education designees about their school improvement practices. The study will use descriptive statistics and regression analysis to study how student outcomes and school practices vary with the identification of elementary and middle schools for improvement.

Type of Review: Extension.

Title of Collection: TEACH.gov Job Listing Collection.

OMB Control Number: 1855–0022.

Agency Form Number(s): N/A.

Frequency of Responses: On Occasion.

Affected Public: Businesses or other for-profit; Not-for-profit institutions; State, Local, or Tribal Government, State

Educational Agencies or Local Educational Agencies.

Total Estimated Number of Annual Responses: 60,000.

Total Estimated Annual Burden Hours: 4,500.

Abstract: TEACH.gov will be a Web site clearinghouse for information necessary to become a PK–12 teacher, including, but not limited to: career preparation information, financial aid packages, certification resources, job listings and state/district profiles. TEACH.gov will also provide inspirational material to help promote and raise the perception of the teaching profession.

This Information Collection Request (ICR) represents the job listing section of TEACH.gov. TEACH.gov will offer a section on the Web site displaying existing teacher job listings. TEACH.gov does not aim to become a “job bank”, but an aggregator and referral source to other publically available existing Web site listings. TEACH.gov will display a limited amount of job listing information on its Web site and the viewer will click through the source Web site link to view the full job description and application instructions.

The publishers of a job listing may be: a commercial or non-profit job listing service, a state educational agency (State Department of Education), a local educational agency (school district) or a school not operating within a school district. For the launch of TEACH.gov, the Web site will collect and publish public school teacher jobs, Pre-Kindergarten through Grade 12.

Requests for copies of the information collection submission for OMB review may be accessed from the RegInfo.gov Web site at <http://www.reginfo.gov/public/do/PRAMain> or from the Department's Web site at <http://edicsweb.ed.gov>, by selecting the “Browse Pending Collections” link and by clicking on link number 4472.
