

relating to the annuities are prescribed in 20 CFR 216, 218, 219, 232, 234, and 295.

The RRB currently uses the electronic AA-3cert, Application Summary and Certification process and manual Form AA-3, Application for Spouse/Divorced Spouse Annuity, to obtain the information needed to determine an applicant's entitlement to an annuity and the amount of the annuity.

The AA-3cert process obtains information from an applicant by means of an interview with an RRB field-office representative. During the interview, the field-office representative enters the information obtained into an on-line information system. Upon completion of the interview, the applicant receives Form AA-3cert, Application Summary and Certification, which summarizes the information that was provided by/or verified by the applicant, for review and signature. The RRB also uses manual Form AA-3 in instances where the RRB representative is unable to contact the applicant in person or by telephone *i.e.*, the applicant lives in another country. Completion of Forms AA-3 and AA-3cert is required to obtain a benefit. One response is requested of each respondent.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (74FR 65551 on December 10, 2009) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.
