

beginning in 2009, then to qualify, the individual's adjusted gross income shown on the preceding year's return must be less than \$250,000, rather than \$500,000. See section 6654(d)(1)(D)(iv). Pursuant to section 6654(d)(1)(D)(ii)(II), the Secretary shall prescribe by regulation the form, manner, and time for filing a certification. Additionally, section 6654(m) authorizes the Secretary to prescribe regulations as necessary to carry out the purposes of section 6654.

Income from a small business is defined in general terms in section 6654(d)(1)(D)(iii) as income from a trade or business the average number of employees of which was less than 500 for calendar year 2008. The temporary regulations specify that the trade or business must be a bona fide trade or business of which the individual was an owner. The temporary regulations provide that a trade or business may be organized as, or take the legal form of, a corporation, partnership, limited liability company, or sole proprietorship.

The temporary regulations also provide that a qualified individual shall file a certification with the IRS in the manner and at the time prescribed in forms, publications, or other guidance, such as Form 2210, "Underpayment of Estimated Tax by Individuals, Estates, and Trusts" (or any successor form and its instructions).

The temporary regulations will be applicable for taxable years beginning in 2009. The reduced percentage in section 6654(d)(1)(D) is limited to taxable years beginning in 2009 and does not apply to taxable years beginning before or after 2009.

BILLING CODE 4830-01-P

DEPARTMENT OF JUSTICE

28 CFR Part 43

[AG Order No. 3141-2010]

Recovery of Cost of Hospital and Medical Care and Treatment Furnished by the United States; Delegation of Authority

AGENCY: Department of Justice.

ACTION: Final rule.

SUMMARY: This rule amends Department of Justice regulations to increase the settlement and waiver authority delegated to heads of departments and agencies of the United States responsible for the furnishing of hospital, medical, surgical, or dental care. This change responds to the increase in medical costs since 1992, when the current level of delegated settlement and waiver authority was established, and will further the efficient operation of the government.

DATES: *Effective Date:* March 1, 2010.

FOR FURTHER INFORMATION CONTACT:

Phyllis J. Pyles, Director, Torts Branch, Civil Division, Department of Justice, Washington, DC 20530, telephone (202) 616-4252.

SUPPLEMENTARY INFORMATION: This rule amending 28 CFR part 43 represents the first increase since 1992 of the settlement and waiver authority delegated to the departments and agencies of the United States responsible for the furnishing of hospital, medical, surgical, or dental care. During the intervening period, the cost of medical care and treatment has increased substantially. That increase warrants a corresponding increase in settlement and waiver authority to further the efficient operation of the government.

Administrative Procedure Act

This rule relates to a matter of agency management or personnel and therefore is exempt from the usual requirements of prior notice and comment and a thirty-day delay in effective date. See 5 U.S.C. 553(a)(2).

Regulatory Flexibility Act

The Attorney General, in accordance with the Regulatory Flexibility Act, 5 U.S.C. 605(b), has reviewed this rule and, by approving it, certifies that it will not have a significant economic impact on a substantial number of small entities because it pertains to personnel and administrative matters affecting the Department. A Regulatory Flexibility Analysis was not required to be prepared for this final rule because the Department was not required to publish a general notice of proposed rulemaking for this matter.

Executive Order 13132: Federalism

This rule will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132,

the Department of Justice has determined that this rule does not have sufficient federalism implications to warrant the preparation of a federalism summary impact statement.

Executive Order 12988: Civil Justice Reform

This rule meets the applicable standards provided in sections 3(a) and 3(b)(2) of Executive Order 12988.

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1501 *et seq.*

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by section 251 of the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 804. This rule will not result in an annual effect on the economy of \$100 million or more; a major increase in cost or prices; or significant adverse effects on competition, employment, investment, productivity, or innovation, or the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

Congressional Review Act

This action pertains to agency management, personnel, and organization and does not substantially affect the rights or obligations of non-agency parties. Accordingly, it is not a "rule" for purposes of the reporting requirement of 5 U.S.C. 801.

ENVIRONMENTAL PROTECTION AGENCY**40 CFR Part 52**

[EPA-R05-OAR-2009-0964; FRL-9116-8]

Approval and Promulgation of Air Quality Implementation Plans; Illinois; NO_x Budget Trading Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is approving a revision to the Illinois State Implementation Plan (SIP) that would terminate the provisions of the Nitrogen Oxides (NO_x) Budget Trading Program that apply to electric generating units. EPA is no longer operating the NO_x Budget Trading Program as a compliance option under the NO_x SIP Call. These sources are now subject to provisions in a newer set of approved Illinois rules that address EPA's Clean Air Interstate Rule (CAIR). For these reasons, the sunset of the NO_x Budget Trading Program for these sources merely deactivates duplicative rule language.

DATES: This direct final rule will be effective April 30, 2010, unless EPA receives adverse comments by March
