

behalf of, Sharp, or any of its affiliated companies, parents, subsidiaries, licensees, contractors, or other related business entities, or successors or assigns; and (2) cease and desist orders prohibiting Sharp Electronics Corp. and Sharp Electronics Manufacturing Co. from conducting any of the following activities in the United States: Importing, selling, marketing, advertising, distributing, offering for sale, transferring (except for exportation), and soliciting U.S. agents or distributors for, LCD devices, including display panels and modules, and LCD televisions or professional displays containing the same that are covered by claims 7 or 8 of the '344 patent.

On February 12, 2010, complainant Samsung and respondent Sharp filed a joint petition to rescind the remedial orders under Commission Rule 210.76(a)(1) on the basis of a settlement agreement between the parties. The parties asserted that their settlement agreement constitutes "changed conditions of fact or law" sufficient to justify rescission of the order under Commission Rule 210.76(a)(1), 19 CFR 210.76(a)(1). The IA did not oppose the joint petition.

Having reviewed the parties' submissions, the Commission has determined that the settlement agreement satisfies the requirement of Commission Rule 210.76(a)(1), 19 CFR 210.76(a)(1), that there be changed conditions of fact or law. The Commission therefore has issued an order rescinding the limited exclusion order and cease and desist orders previously issued in this investigation.

This action is taken under the authority of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) and section 210.76(a)(1) of the Commission's Rules of Practice and Procedure (19 CFR 210.76(a)(1)).

Issued: March 1, 2010.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

Drug Enforcement Administration

Importer of Controlled Substances; Notice of Registration

By Notice dated October 20, 2009, and published in the Federal Register on October 28, 2009 (74 FR 55583), Formulation Technologies LLC., 11501

Domain Drive, Suite 130, Austin, Texas 78758, made application by renewal to the Drug Enforcement Administration (DEA) to be registered as an importer of Fentanyl (9801), a basic class of controlled substance listed in schedule II.

The company plans to import the listed controlled substance for analytical characterization, secondary packaging, and for distribution to clinical trial sites.

No comments or objections have been received. DEA has considered the factors in 21 U.S.C. 823(a) and 952(a), and determined that the registration of Formulation Technologies LLC., to import the basic class of controlled substance is consistent with the public interest, and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971, at this time. DEA has investigated Formulation Technologies LLC., to ensure that the company's registration is consistent with the public interest. The investigation has included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 952(a) and 958(a), and in accordance with 21 CFR 1301.34, the above named company is granted registration as an importer of the basic class of controlled substance listed.

Dated: February 26, 2010.

Joseph T. Rannazzisi,

Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration.
