SUPPLEMENTARY INFORMATION: Notice is hereby given that pursuant to 39 U.S.C. 404(d), the Commission has received an appeal of the closing of the East Elko Station located in Elko, Nevada 89801. The appeal was received by the Commission on February 22, 2010. The Commission hereby institutes a proceeding under 39 U.S.C. 404(d)(5) and designates the case as Docket No. A2010-3 to consider the petitioner's appeal. If the petitioner would like to further explain his position with supplemental information or facts, he may either file a Participant Statement on PRC Form 61 or file his own brief with the Commission by no later than March 29, 2010.

Categories of issues apparently raised. The categories of issues that appear to be raised include:

Effect on the community (39 U.S.C. 404(d)(2)(A)(i)).

After the Postal Service files the administrative record and the Commission reviews it, the Commission may find that there are additional issues other than that set forth above or, alternatively, the Commission may find that the Postal Service's determination disposes of one or more of those issues. The deadline for the Postal Service to file the administrative record with the Commission is March 9, 2010. 39 CFR 3001.113.

Availability; Web site posting. The Commission has posted the appeal and supporting material on its Web site at <http://www.prc.gov>. Additional filings

in this case and participants' submissions also will be posted on the Web site, if provided in electronic format or amenable to conversion, and not subject to a valid protective order. Information on how to use the Commission's Web site is available online or by contacting the Commission's webmaster via telephone at 202-789-6873 or via electronic mail at prc-webmaster@prc.gov.

Docket section hours are 8 a.m. to 4:30 p.m., Monday through Friday, except on Federal government holidays. Docket section personnel may be contacted via electronic mail at prc-dockets@prc.gov or via telephone at 202-789-6846.

Filing of documents. All filings of documents in this case shall be made using the Internet (Filing Online) pursuant to Commission rules 9(a) and 10(a) at the Commission's Web site, <http://www.prc.gov>, unless a waiver is obtained. 39 CFR 3001.9(a) and 10(a). Instructions for obtaining an account to file documents online may be found on the Commission's Web site, <http://www.prc.gov>, or by contacting the Commission's docket section at prc-dockets@prc.gov or via telephone at 202-789-6846.

Notices of intervention are due on or before March 29, 2010. A notice of intervention shall be filed using the Internet (Filing Online) at the Commission's Web site, <http://www.prc.gov>, unless a waiver is obtained for hardcopy filing. See 39 CFR 3001.9(a) and 10(a).

Further procedures. By statute, the Commission is required to issue its decision within 120 days from the date this appeal was filed. See 39 U.S.C. 404(d)(5). A procedural schedule has been developed to accommodate this statutory deadline. In the interest of expedition, in light of the 120-day decision schedule, the Commission may request the Postal Service or other participants to submit information or memoranda of law on any appropriate issue. As required by the Commission rules, if any motions are filed, responses are due 7 days after any such motion is filed. 39 CFR 3001.21.

Comments. In considering this appeal, the Commission will be relying on its interpretation of 39 U.S.C. section 404(d)(1) which accords customers of stations and branches the same treatment as customers of post offices for purposes of appeal.

The Commission's position of record on this issue has been developed since the late 1970s, when the former Rate Commission first addressed the definition of post office in Docket No. A78-1. *In re Gresham, SC*, Order No. 208 (August 16, 1978). Since that time, the Commission has consistently put forward the position that stations and branches were "post offices" within the meaning of section 404(d).

Comments from the mailing community and general public in this docket are encouraged.

In addition, it would be helpful for commenters to review whether precedent based on these cases, decided by the former Rate Commission, should be controlling in the new regulatory environment established by the Postal Accountability and Enhancement Act.

It is ordered:

1. The Postal Service shall file the administrative record in this appeal, or otherwise file a responsive pleading to the appeal, by March 9, 2010.

2. The procedural schedule listed below is hereby adopted.

3. Pursuant to 39 U.S.C. 505, Richard A. Oliver is designated officer of the Commission (Public Representative) to represent the interests of the general public.

4. The Secretary shall arrange for publication of this notice and order and procedural schedule in the **Federal Register**.

By the Commission.

Secretary.

To ensure against mailers shifting June volume to July, or October volume to September, an additional volume threshold will be established for June through October 2010, using the same SPLY + 5 percent formula. If the actual volumes for that period do not meet the respective month's threshold (SPLY + 5 percent), the difference will be deducted from the Standard Mail Incentive Program qualifying volume. *Id.*

Eligibility for the Standard Mail Incentive Program requires qualifying mailers to have mailed 350,000 or more Standard Mail letters and flats between July 1 and September 30, 2009 through one or more permit imprint advance deposit account(s) owned by the company or through permits set up on behalf of the company by a MSP. *Id.* at 3.
