SUPPLEMENTARY INFORMATION:

I. Abstract

Age Search is a service provided by the U.S. Census Bureau for persons who need official transcripts of personal data as proof of age for pensions, retirement plans, Medicare, and social security. The transcripts are also used as proof of citizenship to obtain passports or to provide evidence of family relationship for rights of inheritance. The Age Search forms are used by the public in order to provide the Census Bureau with the necessary information to conduct a search of historical population decennial census records in order to provide the requested transcript. The Age Search service is self-supporting and is funded by the fees collected from the individuals requesting the service.

II. Method of Collection

The Form BC-600, Application for Search of Census Records, is a public use form that is submitted by applicants requesting information from the decennial census records. Applicants are requested to enclose appropriate fee by check or money order with the completed and signed Form BC-600 and return by mail to the U.S. Census Bureau, Personal Census Search Unit, in Jeffersonville, Indiana. The BC-600 (SP) is a Spanish version of the BC-600. The Form BC-649(L), which is called a "Not Found", advises the applicant that search for information from the census records was unsuccessful.
