Health Resources and Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information requests under review by the Office of Management and Budget (OMB), in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, e-mail paperwork@hrsa.gov or call the HRSA Reports Clearance Officer at (301) 443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Ryan White Treatment and Modernization Act Part A Minority AIDS Initiative Report (the Part A MAI Report). (OMB No. 0915-0304): Extension

HRSA's HIV/AIDS Bureau (HAB) administers Part A of Title XXVI of the Public Health Service Act as amended by Congress in October 2009 (Ryan White HIV/AIDS Treatment Extension Act of 2009). Part A provides emergency relief for areas with substantial need for HIV/AIDS care and support services that are most severely affected by the HIV/AIDS epidemic, including eligible metropolitan areas (EMA) and Transitional Grant Areas (TGAs). As a component of Part A (previously Title I), the purpose of the Minority AIDS Initiative (MAI) Supplement is to improve access to high quality HIV care services and health outcomes for individuals in disproportionately impacted communities of color who are living with HIV disease, including African-Americans, Latinos, Native Americans, Asian Americans, Native Hawaiians and Pacific Islanders (Section 2693(b)(2)(A) of the Public Health Service (PHS) Act). Since the purpose of the Part A MAI is to expand access to medical, health, and social support services for disproportionately impacted racial/ethnic minority populations living with HIV/AIDS, who are not yet in care, it is important that HRSA is able to report on minorities served by the Part A MAI.

The Part A MAI Report is a data collection instrument in which grantees report on the number and characteristics of clients served and services provided. The *Part A MAI Report*, first approved for use in March 2006, is designed to collect performance data from Part A Grantees that will not change, and it has two parts: (1) a web-based data entry application that collects standardized quantitative and qualitative information, and (2) an accompanying narrative report. Grantees submit two *Part A MAI Reports* annually: *Part A MAI Plan (Plan)* and the *Part A MAI Year-End Annual Report (Annual Report)*. The *Plan* and *Annual Report* components of the report are linked to minimize the reporting burden, and include drop-down menu responses, fields for reporting budget, expenditure and aggregated client level data, and open-ended responses for describing client or service-level outcomes. Together the *Plan* and *Annual Report* components collect information from grantees on MAI-funded services, expenditure patterns, the number and demographics of clients served, and client-level outcomes.
