SUPPLEMENTARY INFORMATION:

Background

The Department published in the **Federal Register** the notice of initiation of the first five-year sunset review of the CVD order on CVP-23 from India, pursuant to section 751(c) of the Act. See *Initiation Notice*. The Department received notice of intent to participate from domestic interested parties and Petitioners in the original investigation, Nation Ford Chemical Company and Sun Chemical Corporation (collectively, Petitioners). On December 2, 2009, Petitioners submitted a timely substantive response in accordance with 19 CFR 351.218(d)(1)(i). Petitioners claimed interested party status as U.S. producers of the domestic like product, pursuant to section 771(9)(C) of the Act. The Department did not receive a response from the Government of India or any other respondent interested party in this proceeding. In accordance with 19 CFR 351.218(e)(1)(ii)(C)(1), the Department notified the International Trade Commission (ITC) that respondent interested parties provided inadequate responses to the *Initiation Notice*. See Letter from Edward C. Yang, Senior Executive Coordinator, AD/CVD Operations, Office 9, Import Administration, to Ms. DeFilippo, Director, Office of Investigations, ITC, dated December 22, 2009. As a result, pursuant to 19 CFR 51.218(e)(1)(ii)(B)

and (C)(2), the Department conducted an expedited review of this order.
