The public record for this review may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On March 8, 2010, the Commission determined that the domestic interested party group response to its notice of institution (74 FR 62815, December 1, 2009) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.

Staff report.—A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on April 5, 2010, and made available to persons

on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before April 8, 2010, and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by April 8, 2010. However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

² The Commission has found the response submitted by Seaman Paper Company of Massachusetts, Inc., to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

Issued: March 11, 2010.

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 4) of the presiding administrative law judge ("ALJ") terminating the above-captioned investigation based on a settlement agreement.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 5, 2010, based on a complaint filed by Samsung Electronics Co., Ltd. ("Samsung") of Korea. 75 FR 445-46 (Jan. 5, 2010). The complaint, as amended and supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the

sale within the United States after importation of certain liquid crystal display modules, products containing the same, and methods for making the same by reason of infringement of certain claims of U.S. Patent Nos. 5,844,533; 6,888,555; and 7,436,479. The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation named the following respondents: Sharp Corporation of Japan; Sharp Electronics Corporation of Mahwah, New Jersey; and Sharp Electronics Manufacturing, Company of America, Inc. of San Diego, California (collectively "Sharp").

On February 12, 2010, Samsung and Sharp jointly moved to terminate the investigation on the basis of a settlement agreement. The Commission investigative attorney filed a response in support of the motion.

The ALJ issued the subject ID on February 23, 2010, granting the motion for termination. He found that the motion for termination satisfies Commission rule 210.21(b). He further found, pursuant to Commission rule 210.50(b)(2), that termination of this investigation by settlement agreement is in the public interest. No party petitioned for review of the ID. The Commission has determined not to review the ID, and the investigation is terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in sections 210.21 and 210.42(h) of the Commission's Rules of Practice and Procedure, 19 CFR 210.21, 210.42(h).

Issued: March 11, 2010.

By order of the Commission.

Secretary to the Commission.
