SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61752; File No. 4-594]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing of Proposed Minor Rule Violation Plan

March 22, 2010.

Pursuant to Section 19(d)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19d-1(c)(2) thereunder,² notice is hereby given that on March 19, 2010, EDGX Exchange, Inc. ("EDGX Exchange" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") copies of proposed minor rule violations with sanctions not exceeding \$2,500 which would not be subject to the provisions of Rule 19d-1(c)(1) of the Act³ requiring that a self-regulatory organization promptly file notice with the Commission of any final disciplinary action taken with respect to any person or organization.⁴ In

accordance with paragraph (c)(2) of Rule 19d-1 of the Act, the Exchange proposed to designate certain specified rule violations as minor rule violations, and requests that it be relieved of the reporting requirements regarding such violations, provided it gives notice of such violations to the Commission on a quarterly basis. EDGX Exchange proposes to include in its proposed MRVP the policies and procedures currently included in EDGX Exchange Rule 8.15 ("Imposition of Fines for Minor Violation(s) of Rules").⁵

According to the Exchange's proposed MRVP, under Rule 8.15, the Exchange may impose a fine (not to exceed \$2,500) on a member or an associated person with respect to any rule listed in Rule 8.15.01. The Exchange shall serve the person against whom a fine is imposed with a written statement setting forth the rule or rules violated, the act or omission constituting each such violation, the fine imposed, and the date by which such determination becomes final or by which such determination must be contested. If the person against whom the fine is imposed pays the fine, such payment shall be deemed to be a waiver of such person's right to a disciplinary proceeding and any review of the matter under EDGX Exchange rules. Any person against whom a fine is imposed may contest the Exchange's determination by filing with the Exchange a written response, at which point the matter shall become a disciplinary proceeding. Under Rule 8.15.01, violations of the following rules would be appropriate for disposition under the minor rule violations plan: Rule 2.5. Interpretation .04, Firm Element Continuing Education Requirement; Rule 3.5 Advertising

organizations ("SROs") to submit for Commission approval plans for the abbreviated reporting of minor disciplinary infractions. See Securities Exchange Act Release No. 21013 (June 1, 1984), 49 FR 23828 (June 8, 1984). Any disciplinary action taken by an SRO against any person for violation of a rule of the SRO which has been designated as a minor rule violation pursuant to such a plan filed with the Commission shall not be considered "final" for purposes of Section 19(d)(1) of the Act if the sanction imposed consists of a fine not exceeding \$2,500 and the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies.

⁵ On March 12, 2010, the Commission approved EDGX Exchange's application for registration as a national securities exchange, including the rules governing EDGX Exchange. See Securities Exchange Act Release No. 61698, 75 FR 13151 (March 18, 2010). In the approval order, the Commission noted that EDGX Exchange Rule 8.15 provides for the imposition of fines for minor rule violations pursuant to a minor rule violation plan. Accordingly, the Commission noted that as a condition to the operation of EDGX Exchange, the Exchange must file a minor rule violation plan with the Commission.

Practices; Rule 4.2 and Interpretations thereunder, requiring the submission of responses to Exchange requests for trading data within specified time period; Rule 4.2 and Interpretations thereunder, related to the requirement to furnish Exchange-related order, market and transaction data, as well as financial or regulatory records and information; Rule 11.15, requirement to identify short sale orders as such; Rule 11.16, requirement to comply with locked and crossed market rules; and Rule 12.11, Interpretation .01 and Exchange Act Rule 604—Failure to properly display limit orders.

EDGX Exchange proposed to include the rule violations listed in Rule 8.15.01 in its minor rule violation plan. Upon approval of the plan, the Exchange will provide the Commission a quarterly report of actions taken on minor rule violations under the plan. The quarterly report will include: The Exchange's internal file number for the case, the name of the individual and/or organization, the nature of the violation, the specific rule provision violated, the sanction imposed, the number of times the rule violation has occurred, and the date of disposition.⁶

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61756; File No. SR-NYSE-2010-24]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending NYSE Rule 127 To Remove the Restrictions on the Execution of Block Cross Transactions Outside the Prevailing NYSE Quotation

March 22, 2010.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on March 11, 2010, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Rule 127 ("Block Crosses Outside the Prevailing NYSE Quotation") to remove the restrictions on the execution of block cross transactions outside the prevailing NYSE quotation to make such execution more consistent with prevailing industry standard and to delete all references to "percentage orders" in the rule text. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The New York Stock Exchange ("NYSE" or the "Exchange") proposes to amend NYSE Rule 127 ("Block Crosses Outside the Prevailing NYSE Quotation") to remove restrictions on the execution of block cross transactions outside the prevailing NYSE quotation to make such execution more consistent with prevailing industry standard and to delete all references to "percentage orders" in the rule text.

The Exchange notes that parallel changes are proposed to be made to the rules of NYSE Amex LLC (formerly the American Stock Exchange).⁴

Background: NYSE Rule 127 governs the execution of block cross transactions outside the Exchange quotation. NYSE Rule 127 prescribes the method of block cross executions when the member organization intends to represent both sides of the proposed cross as agent or will trade with one side of the cross in part or in whole as principal. The member organization handling the block orders must first trade with the displayed bid or offer (whichever is relevant to the proposed cross, *i.e.*, whether the cross is to be executed at a price lower than the bid or higher than the offer) including any reserve interest⁵ at that bid or offer price when the member organization is trading as principal on one side of the transaction and is establishing or increasing a proprietary position as a result. The member organization then executes, in a single transaction, at the agreed upon block price, all limit orders on the Display Book[®] ("Display Book")⁶ priced at or better than the block clean-up price. The result is two separate tape prints. If, however, the cross represents agency interest only or the liquidation of a member organization's position, the member organization must execute all orders on the Display Book priced better than the block clean-up price at a price one cent better than the clean-up price

⁴ See SR-NYSEAmex-2010-27.

⁵ Reserve interest is that portion of a bid or offer that is designated as not to be displayed, *i.e.*, is in "reserve."

⁶ The Display Book[®] system is an order management and execution facility. The Display Book receives and displays orders to the DMMs, contains order information and provides a mechanism to execute and report transactions and publish the results to the Consolidated Tape. The Display Book is connected to a number of other Exchange systems for the purposes of comparison, surveillance and reporting information to customers and other market data and national market systems.
