SUPPLEMENTARY INFORMATION: The ROD covered by this Notice of Availability is for the West Antelope II Coal Tract and addresses leasing Federal coal in Campbell and Converse Counties, Wyoming, administered by the BLM Wyoming High Plains District Office. The BLM approves Alternative 2, which is the preferred alternative of the West Antelope II Coal Lease by Application Final EIS. Under Alternative 2, the West Antelope II Coal LBA area, as modified

by the BLM, will be divided into two separate LBA tracts referred to as the West Antelope II North Tract and the West Antelope II South Tract. The West Antelope II South Tract (WYW177903), as modified by the BLM, includes 1,908.60 acres, more or less, and contains an estimated 56.3 million tons of mineable coal. Two competitive coal lease sales will be announced in the **Federal Register** at a later date.
