Central Transmission, LLC v. PJM Interconnection L.L.C.; Notice of Complaint

March 26, 2010.

Take notice that on March 25, 2010, Central Transmission, LLC (Central Transmission) filed a complaint against the PJM Interconnection L.L.C. (PJM) pursuant to section 206 of the Federal Power Act (FPA), alleging that Schedule 6 of the PJM Operating Agreement and Schedule 12 of the PJM Open Access Transmission Tariff are unjust and unreasonable and unduly discriminatory in violation of FPA section 206 insofar as the provisions (i) could prevent PJM from designating Central Transmission to construct and own a transmission project; (ii) under the same cost recovery provisions in Schedule 12 of the PJM Tariff on the same terms and conditions that are available to those entities that currently own transmission facilities that comprise the PJM transmission system.

Central Transmission certifies that copies of the complaint were served on the contacts for Respondent as listed on the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.
