The Exchange believes that extending the previously approved pilot period for six months will permit both the Exchange and the Commission to further assess the impact of the Exchange's authority to receive direct inbound routes of equities orders via Arca Securities (including the attendant obligations and conditions).⁹

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹² However, Rule 19b-4(f)(6)(iii)¹³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. The Exchange notes that the

¹² 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. proposal will allow the Exchange to continue receiving inbound routes of equities orders from Arca Securities, in a manner consistent with prior approvals and established protections, while also permitting the Exchange and the Commission to assess the impact of the pilot.¹⁴ The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver would allow the pilot period to be extended without interruption through September 30, 2010. For this reason, the Commission designates the proposed rule change to be operative upon filing with the Commission.¹⁵

At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

The Exchange proposes to extend the pilot period of the Exchange's prior approvals to receive inbound routes of certain equities orders from Archipelago Securities LLC ("Arca Securities"), an NYSE affiliated member. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, Arca Securities is the approved outbound order routing facility of the Exchange.³ Arca Securities is also the approved outbound order routing facility of NYSE Arca and NYSE Amex LLC ("NYSE Amex").⁴ The Exchange has also been previously approved to receive inbound routes of equities orders by Arca Securities in its capacity as an order routing facility of NYSE Arca and NYSE

Amex.⁵ The Exchange's authority to receive inbound routes of equities orders by Arca Securities is subject to a pilot period ending March 31, 2010.⁶ The Exchange hereby seeks to extend the previously approved pilot period (with the attendant obligations and conditions) for an additional six months, through September 30, 2010.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)⁷ of the Securities Exchange Act of 1934 (the "Act"), in general, and furthers the objectives of Section 6(b)(5)⁸ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. Specifically, the proposed rule change will allow the Exchange to continue receiving inbound routes of equities orders from Arca Securities acting in its capacity as a facility of the NYSE Arca and NYSE Amex, in a manner consistent with prior approvals and established protections. The Exchange believes that extending the previously approved pilot period for six months will permit both the Exchange and the Commission to further assess the impact of the Exchange's authority to receive direct inbound routes of equities orders via Arca Securities (including the attendant obligations and conditions).⁹

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

March 31, 2010.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on March 25, 2010, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Rule 1 ("The Exchange") to provide that the Exchange may formally designate one or more qualified employees to act in place of any person named in a rule as having authority to act under such rule if the named person is not available to administer the rule; and (2) amend NYSE Rule 51 ("Hours of Business") to clarify the scope of authority vested in the Chief Executive Officer ("CEO") and to make several non-substantive stylistic changes to the rule text. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NYSE proposes to amend NYSE Rule 1 to provide that the Exchange may formally designate one or more qualified employees to act in place of any person named in a rule as having authority to act under such rule in the event that the named person is not available. The Exchange believes that providing for such delegations will enable administration of NYSE rules in a more efficient manner in the event the specified individual is unavailable. Separately, the Exchange proposes to amend NYSE Rule 51 to clarify the scope of authority vested in the Chief Executive Officer ("CEO") to take certain actions when he deems such actions necessary or appropriate for the maintenance of a fair and orderly market, the protection of investors or otherwise in the public interest, due to extraordinary circumstances.

The Exchange notes that parallel changes are proposed to be made to the rules of NYSE Amex LLC (formerly the American Stock Exchange).⁴

NYSE Rule 1

NYSE Rule 1 provides that "the Exchange" is defined as the New York Stock Exchange LLC or the officer, employee, person, entity or committee to whom appropriate authority to administer such rule has been delegated by the Exchange when used with reference to the administration of any rule.

Additionally, NYSE Rule 1 provides that all references to the "Board," "Board of Directors," "Chairman," "Chairman of the Board," "Chief Executive Officer" and "CEO" refer to those persons and entities of the Exchange.
