Customers may incur postage costs when submitting the information in this collection to the USPTO by mail. The USPTO expects that the Application to Extend Patent Term under 35 U.S.C. 156, the Initial Application for Interim Extension under 35 U.S.C. 156(d)(5), and approximately 7% of the other responses for this collection will be submitted by mail. The USPTO estimates that the average first-class postage cost for these 991 mailed submissions will be 44 cents each, for a total estimated postage cost of \$436 per year.

When submitting the information in this collection to the USPTO electronically, the customer is strongly urged to retain a copy of the acknowledgment receipt as evidence that the submission was received by the USPTO on the date noted. The USPTO estimates that it will take 5 seconds (0.001 hours) to print and retain a copy of the acknowledgment receipt and that approximately 12,595 responses per year will be submitted electronically, for a total of approximately 13 hours per year for printing this receipt. Using the paraprofessional rate of \$100 per hour, the USPTO estimates that the recordkeeping cost associated with this collection will be \$1,300 per year.

The total non-hour respondent cost burden for this collection in the form of filing fees, postage costs, and recordkeeping costs is estimated to be \$360,416 per year.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, e.g., the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: April 13, 2010.

Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Extension of Final Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the final results of the new shipper review of certain frozen warmwater shrimp ("shrimp") from the Socialist Republic of Vietnam ("Vietnam"). This review covers the period February 1, 2008 through January 31, 2009.

EFFECTIVE DATE: April 20, 2010.

FOR FURTHER INFORMATION CONTACT: Toni Dach or Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1655 or (202) 482-0413, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 21, 2010, the Department published its notice of preliminary intent to rescind the new shipper review in the antidumping duty order on shrimp from Vietnam for Nhat Duc Co., Ltd. *See Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Preliminary Intent To Rescind New Shipper Review*, 75 FR 3446 (January 21, 2010) ("Preliminary Rescission"). The final results of this review are currently due no later than April 19, 2010.¹

¹ Due to the extended closure of the Government between February 5 and 11, 2010, all deadlines for active cases were tolled by one calendar week. See Memorandum From Ronald Lorentzen, DAS for

Statutory Time Limits

In antidumping duty new shipper reviews, section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) requires the Department to issue the final results of a new shipper review within 90 days after the date on which the preliminary results are issued. However, the Department may extend the deadline for completion of the final results of a new shipper review to 150 days after the date on which the preliminary results are issued if it determines that the case is extraordinarily complicated. *See* 19 CFR 351.214(i)(2)

Extension of Time Limit for Final Results of Review

The Department has determined that the review is extraordinarily complicated as the Department's *Preliminary Rescission* included analysis of six detailed issues related to the respondent's POR sale. Both respondent and petitioner have provided extensive comments on all these issues, which must be analyzed along with the Department's preliminary determination. Based on the timing of the case and the extensive arguments and detailed issues that must be analyzed, the final results of this new shipper review cannot be completed within the statutory time limit of 90 days.

Therefore, the Department is extending the time limit for completion of the final results of this new shipper review by 30 days from the April 19, 2010 deadline. The final results will now be due no later than May 19, 2010.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: April 12, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
