I. Funding Opportunity Description

Purpose of Program: This program is designed to support projects for training State vocational rehabilitation (VR) unit personnel in program areas essential to the effective management of the unit's program of VR services and in skill areas that will enable personnel to improve their ability to provide VR services leading to employment outcomes for individuals with disabilities. The State VR Unit In-Service Training program responds to needs identified in the comprehensive system of personnel development (CSPD) of the State plan to address recruitment and retention of qualified rehabilitation professionals, to provide for succession planning, and to provide for leadership development and capacity building.

Priorities: In accordance with 34 CFR 75.105(b)(2)(ii), these priorities are from the regulations for this program (34 CFR 388.22). Under 34 CFR 388.21(b), the Secretary reserves funds to support some or all of the proposals that have been awarded a rating of 80 points or more under the selection criteria described in 34 CFR 388.20.

Absolute Priorities: For FY 2010 these priorities are absolute priorities. Under 34 CFR 75.105(c)(3) and 34 CFR 388.21(b), we consider for quality awards only applications that meet one or more of the following absolute priorities.

Priority 1—Development and Dissemination of Model In-Service Training Materials and Practices: The proposed project demonstrates an effective plan to develop and disseminate information on its State VR In-Service Training program, including the identification of training approaches and successful practices, in order to permit the replication of these programs by other State VR units.

Priority 2—Distance Education: The proposed project demonstrates

innovative strategies for training State VR unit personnel through accessible distance education methods, such as interactive audio, video, computer technologies, or existing telecommunications networks.

Priority 3—Enhanced Employment Outcomes for Specific Populations: The proposed project supports specialized training in the provision of VR or related services to individuals with disabilities to increase the rehabilitation rate into competitive employment for all individuals or specified target groups.

Program Authority: 29 U.S.C. 721 and 772.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, and 99. (b) The regulations for this program in 34 CFR parts 385 and 388.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: The total amount of funding available for these awards in FY 2010 is \$5,664,900, including \$4,531,920 for basic awards (CFDA Number 84.265A) and \$1,132,980 for quality awards (CFDA Number 84.265B). Applicants must apply for the basic award and for the quality award separately.

Note: (1) The actual funding amounts for basic awards will be calculated based on the FY 2009 RSA-2 data submitted by State VR Units. (2) The Department is not bound by any estimates in this notice.

Estimated Range of Awards: \$18,883–\$295,000 for basic awards and \$15,000–\$85,000 for quality awards.

Estimated Average Size of Awards: \$70,811 for basic awards and \$56,649 for quality awards.

Estimated Number of Awards: 80 basic awards and 20 quality awards.

submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date.

Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. - Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

Please note the following: (1) Print SF 424 from e-Application.

(2) The applicant's Authorizing Representative must sign this form.

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

(1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

(2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

(b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in

this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement:

You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the e-Application system because—

- You do not have access to the Internet; or

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are from 34 CFR 75.210 and 34 CFR 388.20. The selection criteria for this competition are in the application package.

2. *Review and Selection Process:* The procedures used for reviewing and

selecting applications for an award are in 34 CFR 75.210 and 34 CFR 388.20. Additional factors we consider in selecting an application for an award include: (a) the geographical distribution of projects; and (b) the past performance of the applicant in carrying out similar training activities under previously awarded grants, as indicated by factors such as compliance with grant conditions, soundness of programmatic and financial management practices, and attainment of established project objectives (34 CFR 385.33(a) and (b)).

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals. The primary objective of the State VR Unit In-Service Training program is to maintain and upgrade the knowledge and skills of personnel currently employed by State VR agencies.

Grantees must provide training that responds to the needs identified in the CSPD as required by section 101(a)(7) of the Act.

In order to measure the success of the State VR Unit In-Service Training program grantees in meeting this objective, State VR agencies are required to submit performance data through the in-service annual performance report and their State plans. At a minimum, the annual performance report must include data on the percentage of currently employed State VR agency counselors who meet their States' CSPD standards.
