

dumping margins (calculated as the difference between normal value and EP) for each exporter's importer or customer by the total number of units the exporter sold to that importer or customer. We will direct CBP to assess the resulting per-unit dollar amount against each unit of merchandise in each of that importer's/customer's entries under the relevant order during the review period.

Constructed Export-Price Sales

For CEP sales (sampled and non-sampled), we divided the total dumping margins for the reviewed sales by the total entered value of those reviewed sales for each importer. We will direct CBP to assess the resulting percentage margin against the entered customs values for the subject merchandise on each of that importer's entries under the relevant order during the review period. See 19 CFR 351.212(b).

Cash-Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative reviews for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash-deposit rates for the reviewed companies will be the rates established in the final results of the reviews; (2) for previously reviewed or investigated companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in these reviews, a prior review, or the less-than-fair-value investigations but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) the cash-deposit rate for all other manufacturers or exporters will continue to be the all-others rate for the relevant order made effective by the final results of reviews published on July 26, 1993. See *Final Results of Antidumping Duty Administrative Reviews and Revocation in Part of an Antidumping Duty Order*, 58 FR 39729 (July 26, 1993). For ball bearings from Italy, see *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof From France, et al.; Final Results of Antidumping Duty Administrative Reviews and Partial Termination of Administrative Reviews*, 61 FR 66472, 66521 (December 17, 1996). These rates are the all-others rates from the relevant less-than-fair-value investigations. These deposit

requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

These preliminary results of administrative reviews, preliminary results of changed-circumstances review, rescission of antidumping duty administrative reviews in part, and intent to revoke an order in part are issued and published in accordance with sections 751(a)(1), 751(b)(1), and 777(i)(1) of the Act.

Dated: April 21, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.
