## SECURITIES AND EXCHANGE COMMISSION

[Rule 17Ad-3(b); SEC File No. 270-424; OMB Control No. 3235-0473]

### Proposed Collection; Comment Request

*Upon Written Request, Copies Available From: Securities and Exchange*

Commission, Office of Investor Education and Advocacy, Washington, DC 20549.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval: Rule 17Ad-3(b) (17 CFR 240.17Ad-3(b)).

Rule 17Ad-3(b) requires registered transfer agents that for each of two consecutive months have failed to turnaround at least 75% of all routine items in accordance with the requirements of Rule 17Ad-2(a) or to process at least 75% of all routine items in accordance with the requirements of Rule 17Ad-2(a) to send to the chief executive officer of each issuer for which such registered transfer agent acts a copy of the written notice required under Rule 17Ad-2(c), (d), and (h). The issuer may use the information contained in the notices in several ways:

- (1) To provide an early warning to the issuer of the transfer agent's non-compliance with the Commission's minimum performance standards regarding registered transfer agents, and
- (2) to assure that issuers are aware of certain problems and poor performances with respect to the transfer agents that are servicing the issuer's securities. If the issuer does not receive notice of a registered transfer agent's failure to comply with the Commission's minimum performance standards then the issuer will be unable to take remedial action to correct the problem or to find another registered transfer agent. Pursuant to Rule 17Ad-3(b), a transfer agent that has already filed a Notice of Non-Compliance with the Commission pursuant to Rule 17Ad-2 will only be required to send a copy of that notice to issuers for which it acts when that transfer agent fails to turnaround 75% of all routine items or to process 75% of all items.

The Commission estimates that only two transfer agents will meet the requirements of Rule 17Ad-3(b). If a transfer agent fails to meet the minimum requirements under 17Ad-3(b), such transfer agent is simply sending a copy of a form that had already been produced for the Commission. The Commission estimates a requirement will take each respondent approximately one hour to complete, for a total annual estimate burden of two hours at cost of approximately \$60.00
