Notice of Lodging of a Consent Decree Under the Clean Water Act

Notice is hereby given that on April 25, 2011, a proposed Consent Decree in *United States and the State of Iowa v. City of Dubuque, Iowa*, Civil Action No. 2:11-cv-01011-EJM, was lodged with the United States District Court for the Northern District of Iowa.

The purpose of this notice is to allow for an additional 30 days for public comment until May 31, 2011. This process is conducted in accordance with 5 CFR 1320.10. Comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Whether the proposed collection of information is necessary for the

proper performance of the functions of the agency, including whether the information will have practical utility;

—The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

—The quality, utility, and clarity of the information to be collected; and

—The burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* New.

(2) *Title of the Form/Collection:* Report of Multiple Sale or Other Disposition of Certain Rifles

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: ATF F 3310.12. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be required to respond, as well as a brief abstract:* Primary: Business or For-Profit. Other: None. *Abstract:* The purpose of this information collection is to require Federal firearms licensees to report multiple sales or other dispositions whenever the licensee sells or otherwise disposes of two or more rifles with the following characteristics: (a) Semi-automatic; (b) a caliber greater than .22 (including .223/5.56 caliber); and (c) the ability to accept a detachable magazine, to the same person at one time or during any five consecutive business days. This requirement will apply only to Federal Firearms Licensees (FFLs) who are dealers and/or pawnbrokers in Arizona, California, New Mexico and Texas.

(5) *An estimate of the total number of respondents:* ATF estimates that 8,479 respondents will be subject to the reporting requirement. However, ATF anticipates fewer than 30% of the potential respondents will be required to report multiple sales of the subset of rifles that is the subject of this collection. This estimate is based upon the fact that, during fiscal year 2010, 2,509 FFLs in the affected states submitted reports of multiple sales of hand guns. ATF estimates that a similar number of FFLs are likely to submit reports of multiple sales of the subject rifles.
