Spiny Lobster

Public hearings will be held on Joint Amendment 10 to the Spiny Lobster Fishery Management Plan for the Gulf of Mexico and South Atlantic. Joint Amendment 10 establishes Annual Catch Limits and Accountability Measures for Caribbean spiny lobster as required by the Magnuson-Stevens Act. This amendment includes additional actions addressing modifications to the Fishery Management Unit, updates to protocol for Enhanced Cooperative Management, regulations regarding the possession of undersized lobsters or "shorts" as attractants for the commercial trap fishery, permit requirements for tailing spiny lobster, sector allocations, limiting spiny lobster fishing areas to protect threatened staghorn and elkhorn corals, and requirements for gear marking of all spiny lobster trap lines.

Reef Fish

Amendment 32: This amendment will establish annual catch limits and annual catch targets for 2012 to 2015 for gag and for 2012 for red grouper, and contains actions to establish a rebuilding plan for gag, set recreational bag limits, size limits and closed seasons for gag/red grouper in 2012, consider a commercial gag and shallow-water grouper quota adjustment to account for dead discards, make adjustment to multi-use IFQ shares in the grouper individual fishing quota program, reduce the commercial gag size limit, modify the offshore time and

areas closures, and establish gag, red grouper, and shallow-water grouper accountability measures.

Generic Amendment

Public hearings will also be held to receive comments on the Generic Annual Catch Limits/Accountability Measures Amendment for the Gulf of Mexico Fishery Management Council's Red Drum, Reef Fish, Shrimp, Coral and Coral Reefs, and Stone Crab Fishery Management Plans. This amendment contains actions to delegate management of selected species to the other agencies, remove selected species from the fishery management plans, group species for purposes of setting annual catch limits and annual catch targets, establish an acceptable biological catch control rule, establish an annual catch limit/annual catch target control rule, establish a generic framework procedure for implementing management changes, establish the initial specification of annual catch limits and annual catch targets for stocks and stock groups still in need of such specification, establish the apportionment of the black grouper, yellow tail snapper, and mutton snapper stocks between the Gulf and South Atlantic Council jurisdictions, set a commercial and recreational allocation of black grouper within the Gulf Council's jurisdiction, and establish accountability measures to keep catch levels within their annual catch limits or take corrective action if they exceed the limits.

The Public Hearings will begin at 6 p.m. and conclude at the end of public testimony or no later than 9 p.m. at the following locations:
