

Antidumping and Countervailing Duty Proceedings: Interim Final Rule, 76 FR 7491 (February 10, 2011) (*Interim Final Rule*), amending 19 CFR 351.303(g)(1) and (2). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions in investigations/proceedings initiated on or after March 14, 2011, if the submitting party does not comply with the revised certification requirements.

Pursuant to 19 CFR 351.103(d), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306.

Information Required From Interested Parties

Domestic interested parties defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b) wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note

that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: April 20, 2011.

International Trade Administration

Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Sheila E. Forbes, Office of AD/CVD Operations, Customs Unit, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482–4697.

Background

Each year during the anniversary month of the publication of an antidumping or countervailing duty order, finding, or suspension of investigation, an interested party, as defined in section 771(9) of the Tariff Act of 1930, as amended ("the Act"), may request, in accordance with 19 CFR 351.213, that the Department of Commerce ("the Department") conduct an administrative review of that

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests to extend that five-day deadline based upon a showing of good cause.

antidumping or countervailing duty order, finding, or suspended investigation.

All deadlines for the submission of comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting date.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews initiated pursuant to requests made for the orders identified below, the Department intends to select respondents based on U.S. Customs and Border Protection ("CBP") data for U.S. imports during the period of review. We intend to release the CBP data under Administrative Protective Order ("APO") to all parties having an APO within seven days of publication of the initiation notice and to make our decision regarding respondent selection within 21 days of publication of the initiation **Federal Register** notice. Therefore, we encourage all parties interested in commenting on respondent selection to submit their APO applications on the date of publication of the initiation notice, or as soon thereafter as possible. The Department invites comments regarding the CBP data and respondent selection within five days of placement of the CBP data on the record of the review.

Ball Bearing and Parts Thereof From Various Countries

Included in the list of orders for which May 2011 is the anniversary month (see below) are the antidumping duty orders on ball bearings and parts thereof from France, Germany, Italy, Japan, and the United Kingdom. With respect to the reporting requirements in any administrative reviews of these orders which the Department conducts as a result of requests it receives in May 2011, the Department has determined, after several years of experience with larger databases in recent reviews of these orders, that it has the technological ability to calculate antidumping margins for all transactions of subject merchandise. Therefore, the Department intends to apply its standard requirements in antidumping proceedings for respondents to report all U.S. sales of subject merchandise and all comparison-market sales of the foreign like product in any administrative reviews it conducts of the orders for the period May 1, 2010, through April 30, 2011.

Opportunity to Request a Review: Not later than the last day of May 2011,¹ interested parties may request

Suspension Agreements

None.

In accordance with 19 CFR 351.213(b), an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review. In addition, a domestic

interested party or an interested party described in section 771(9)(B) of the Act must state why it desires the Secretary to review those particular producers or exporters.² If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis,

which exporter(s) the request is intended to cover.

Please note that, for any party the Department was unable to locate in prior segments, the Department will not accept a request for an administrative review of that party absent new information as to the party's location. Moreover, if the interested party who files a request for review is unable to locate the producer or exporter for which it requested the review, the interested party must provide an explanation of the attempts it made to locate the producer or exporter at the

¹ Or the next business day, if the deadline falls on a weekend, federal holiday or any other day when the Department is closed.

² If the review request involves a non-market economy and the parties subject to the review request do not qualify for separate rates, all other exporters of subject merchandise from the non-

market economy country who do not have a separate rate will be covered by the review as part of the single entity of which the named firms are a part.

same time it files its request for review, in order for the Secretary to determine if the interested party's attempts were reasonable, pursuant to 19 CFR 351.303(f)(3)(ii).

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Operations, Attention: Sheila Forbes, in room 3508 of the main Commerce Building. Further, in accordance with 19 CFR 351.303(f)(3)(ii), a copy of each request must be served on the petitioner and each exporter or producer specified in the request.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of May 2011. If the Department does not receive, by the last day of May 2011, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order if such a gap period is applicable to the POR.

This notice is not required by statute but is published as a service to the international trading community.

Dated: April 22, 2011.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Cut-to-Length Carbon Steel Plate From the People's Republic of China: Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* May 2, 2011.

FOR FURTHER INFORMATION CONTACT: Magd Zalok or Howard Smith, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-4162 or (202) 482-5193, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 21, 2003, the Department of Commerce ("Department") published in the **Federal Register** the antidumping duty order on certain cut-to-length carbon steel plate ("CTL Plate") from the People's Republic of China ("PRC"). See *Suspension Agreement on Certain Cut-to-Length Carbon Steel Plate From the People's Republic of China; Termination of Suspension Agreement and Notice of Antidumping Duty Order*, 68 FR 60081 (October 21, 2003). On November 1, 2010, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on CTL Plate from the PRC for the period of review ("POR") November 1, 2009, through October 31, 2010. See *Antidumping or Countervailing Duty Order, Finding or Suspended Investigation; Opportunity To Request Administrative Review*, 75 FR 67079 (November 1, 2010).

On November 30, 2010, the Department received a timely request from Nucor Corporation, a domestic producer of CTL Plate, to conduct an administrative review of Hunan Valin Xiangtan Iron & Steel Co., Ltd. ("Hunan Valin"). No other party requested an

administrative review. On December 28, 2010, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the "Act"), the Department published in the **Federal Register** a notice of the initiation of an antidumping duty administrative review of Hunan Valin. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 75 FR 81565 (December 28, 2010).

On January 12, 2011, Hunan Valin submitted a letter certifying that it did not have any exports or sales of subject merchandise during the POR. The Department conducted an internal U.S. Customs and Border Protection ("CBP") data query and found no evidence that Hunan Valin had any shipments of subject merchandise during the POR. In addition, on March 3, 2011, the Department made a "No Shipments Inquiry" to CBP to confirm that there were no exports of subject merchandise by Hunan Valin during the POR. The Department asked CBP to notify the Department within ten days if CBP "has contrary information and is suspending liquidation" of subject merchandise exported by Hunan Valin. See "Certain Cut-to-Length Carbon Steel Plate from the People's Republic of China: Memorandum of Intent to Rescind Antidumping Duty Administrative Review, from Magd Zalok to Abdelali Elouaradia, dated March 25, 2011 ("Intent to Rescind Memorandum"). CBP did not reply with contrary information. The Department provided interested parties in this review until March 28, 2011, to submit comments on the Intent to Rescind Memorandum. The Department did not receive comments from any interested party on the Department's intent to rescind.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review with respect to a particular exporter or producer if the Department concludes that during the POR there were no entries, exports, or sales of the subject merchandise by that exporter or producer. As noted above, the Department has found and continues to find no evidence that Hunan Valin had shipments or entries of subject merchandise during the POR and no interested party has commented on the issue. Therefore, pursuant to 19 CFR 351.213(d)(3), the Department is rescinding the antidumping duty administrative review with respect to Hunan Valin.

Assessment

The Department will instruct CBP to assess antidumping duties at the cash
