### Federal Transit Administration

[Docket FTA-2011-0001]

#### Notice of Establishment of Emergency Relief Docket for Calendar Year 2011

**AGENCY:** Federal Transit Administration (FTA), DOT.

**ACTION:** Notice.

**SUMMARY:** The Federal Transit Administration (FTA) is establishing an Emergency Relief Docket for calendar year 2011 so grantees and subgrantees affected by national or regional emergencies may request relief from FTA administrative requirements set forth in FTA policy statements, circulars, guidance documents, and

regulations. By this notice, FTA is establishing an Emergency Relief Docket for calendar year 2011.

**FOR FURTHER INFORMATION CONTACT:** Bonnie L. Graves, Attorney-Advisor, Legislation and Regulations Division, Office of Chief Counsel, Federal Transit Administration, 1200 New Jersey Ave., SE., Room E56-306, Washington, DC 20590, phone: (202) 366-4011, fax: (202) 366-3809, or e-mail, [Bonnie.Graves@dot.gov](mailto:Bonnie.Graves@dot.gov).

**SUPPLEMENTARY INFORMATION:** Pursuant to title 49 CFR part 601, subpart D, FTA is establishing the Emergency Relief Docket for calendar year 2011. The docket may be opened at the request of a grantee or subgrantee, or on the Administrator's own initiative. When the Emergency Relief Docket is opened, FTA will post a notice on its Web site, at <http://www.fta.dot.gov>. In addition, a notice will be posted in the docket.

In the event a grantee or subgrantee believes the Emergency Relief Docket should be opened and it has not been opened, that grantee or subgrantee may submit a petition in duplicate to the Administrator, via U.S. mail, to: Federal Transit Administration, 1200 New Jersey Ave., SE., Washington, DC 20590; via telephone, at: (202) 366-4011; or via fax, at (202) 366-3472, requesting opening of the Docket for that emergency and including the information set forth below.

All petitions for relief from administrative requirements must be posted in the docket in order to receive consideration by FTA. The docket is publicly accessible and can be accessed 24 hours a day, seven days a week, via the Internet at <http://www.regulations.gov>. Petitions may also be submitted by U.S. mail or by hand delivery to the DOT Docket Management Facility, 1200 New Jersey Ave., SE., Room W12-140, Washington, DC 20590. Any grantee or subgrantee submitting petitions for relief or comments to the docket must include the agency name (Federal Transit Administration) and docket number FTA-2011-0001. Grantees and subgrantees making submissions to the docket by mail or hand delivery should submit two copies.

In the event a grantee or subgrantee needs to request immediate relief and does not have access to electronic means to request that relief, the grantee or subgrantee may contact any FTA regional office or FTA headquarters and request that FTA staff submit the petition on its behalf.

*A petition for relief shall:*

(a) Identify the grantee or subgrantee and its geographic location;

(b) Specifically address how an FTA requirement in a policy statement, circular, agency guidance or rule will limit a grantee's or subgrantee's ability to respond to an emergency or disaster;

(c) Identify the policy statement, circular, guidance document and/or rule from which the grantee or subgrantee seeks relief; and

(d) Specify if the petition for relief is one-time or ongoing, and if ongoing identify the time period for which the relief is requested. The time period may not exceed three months; however, additional time may be requested through a second petition for relief.

A petition for relief from administrative requirements will be conditionally granted for a period of three (3) business days from the date it is submitted to the Emergency Relief Docket. FTA will review the petition after the expiration of the three business days and review any comments submitted thereto. FTA may contact the grantee or subgrantee that submitted the request for relief, or any party that submits comments to the docket, to obtain more information prior to making a decision. FTA shall then post a decision to the Emergency Relief Docket. FTA's decision will be based on whether the petition meets the criteria for use of these emergency procedures, the substance of the request, and the comments submitted regarding the petition. If FTA does not respond to the request for relief to the docket within three business days, the grantee or subgrantee may assume its petition is granted for a period not to exceed three months until and unless FTA states otherwise.

Pursuant to section 604.2(f) of FTA's charter rule (73 FR 2325, Jan. 14, 2008), grantees and subgrantees may assist with evacuations or other movement of people that might otherwise be considered charter transportation when that transportation is in response to an emergency declared by the President, governor, or mayor, or in an emergency requiring immediate action prior to a formal declaration, even if a formal declaration of an emergency is not eventually made by the President, governor or mayor. Therefore, a request for relief is not necessary in order to provide this service. However, if the emergency lasts more than 45 calendar days, the grantee or subgrantee shall follow the procedures set out in this notice.

FTA reserves the right to reopen any docket and reconsider any decision made pursuant to these emergency procedures based upon its own initiative, based upon information or comments received subsequent to the

three business day comment period, or at the request of a grantee or subgrantee upon denial of a request for relief. FTA shall notify the grantee or subgrantee if it plans to reconsider a decision. FTA decision letters, either granting or denying a petition, shall be posted in the Emergency Relief Docket and shall reference the document number of the petition to which it relates.

Issued in Washington, DC, this 19th day of January 2011.

**Peter Rogoff,**  
Administrator.
