[OMB Number 1121-0234]

**Office of Justice Programs; Agency Information Collection Activities; Proposed Collection; Comment Requested**

**ACTION:** 30-Day Notice of Information Collection under Review: Extension of a Currently Approved Collection, Requirements Data Collection Application for the Juvenile Accountability Incentive, Block Grants Program.

The Department of Justice, Office of Justice Programs will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 75, Number 221, page 70290-70291, on November 17, 2010, allowing for a 60 day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until February 24, 2011. This process is conducted in accordance with 5 CFR 1320.10.

To ensure that comments on the information collection are received, OMB recommends that written comments be faxed to the Office of Information and Regulatory Affairs, OMB, Attn: DOJ Desk Officer, Fax: 202 395-7285, or e-mailed to [oira\\_submission@omb.eop.gov](mailto:oira_submission@omb.eop.gov). All comments should be identified with the OMB control number [1121-0234]. Also include the DOJ docket number found in brackets in the heading of this document.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies' estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.
