RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

Summary: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request an extension without change of a currently approved collection of information: 3220–0151, Representative Payee Monitoring consisting of Form(s) G–99a, Representative Payee Report and G–99c, Representative Payee Evaluation Report. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to

determine (1) The practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if RRB and OIRA receive them within 30 days of publication date.

The RRB utilizes the following forms to conduct its representative payee monitoring program. Form G-99a, *Representative Payee Report*, is used to obtain information needed to determine whether the benefit payments certified to the representative payee have been used for the annuitant's current maintenance and personal needs and whether the representative payee continues to be concerned with the annuitant's welfare. RRB Form G-99c, *Representative Payee Evaluation Report*, is used to obtain more detailed information from a representative payee who fails to complete and return Form G-99a, or in situations when the returned Form G-99a indicates the possible misuse of funds by the representative payee. Form G-99c contains specific questions concerning the representative payee's performance and is used by the RRB to determine whether or not the representative payee should continue in that capacity. Completion of the forms in this collection is required to retain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (75 FR 41557 on July 16, 2010) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

The collection obtains information needed to determine if a representative payee is handling benefit payments in the best interest of the annuitant.

Changes Proposed: The RRB proposes no changes to Forms G-99a or Form G-99c.

The burden estimate for the ICR is as follows:

Estimated Completion Time for Form(s): Completion time for G-99a is estimated at 18 minutes. Completion time for Form G-99c is estimated at 24 to 31 minutes.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63719, File No. 4-518]

Joint Industry Plan; Order Approving Amendment To Add the BATS Y-Exchange, Inc. as Participant to National Market System Plan Establishing Procedures Under Rule 605 of Regulation NMS

January 14, 2011.

I. Introduction

On September 9, 2010, the BATS Y-Exchange, Inc. ("BYX" or "Exchange") submitted to the Securities and Exchange Commission ("SEC" or "Commission") in accordance with Section 11A of the Securities Exchange Act of 1934 ("Act")¹ and Rule 608 of Regulation NMS,² a proposed amendment to the national market system plan establishing procedures under Rule 605 of Regulation NMS ("Joint-SRO Plan" or "Plan").³ Under the

proposed amendment, BYX would be added as a participant to the Joint-SRO Plan. Notice of filing and an order granting temporary effectiveness of the proposal through January 18, 2011 were published in the **Federal Register** on September 17, 2010.⁴ The Commission did not receive any comments on the proposed amendment. This order approves the amendment on a permanent basis.

II. Discussion

The Joint-SRO Plan establishes procedures for market centers to follow in making their monthly reports required pursuant to Rule 605 of Regulation NMS, available to the public in a uniform, readily accessible, and usable electronic format. The current participants to the Joint-SRO Plan are the American Stock Exchange LLC, BATS Exchange, Inc., Boston Stock Exchange, Inc., Chicago Board Options Exchange, Incorporated, Chicago Stock Exchange, Inc., Cincinnati Stock Exchange, Inc. (n/k/a National Stock ExchangeSM), EDGA Exchange, Inc., EDGX Exchange, Inc., International Securities Exchange LLC, The NASDAQ Stock Market LLC, National Association of Securities Dealers, Inc., New York Stock Exchange, Inc. (n/k/a New York Stock Exchange LLC), Pacific Exchange, Inc. (n/k/a NYSE Arca, Inc.), and Philadelphia Stock Exchange, Inc. The proposed amendment would add BYX as a participant to the Joint-SRO Plan.

Section III(b) of the Joint-SRO Plan provides that a national securities exchange or national securities association may become a party to the Plan by: (i) executing a copy of the Plan, as then in effect (with the only changes being the addition of the new participant's name in Section II(a) of the Plan and the new participant's single-digit code in Section VI(a)(1) of the Plan) and (ii) submitting such executed plan to the Commission for approval. BYX submitted a signed copy of the Joint-SRO Plan to the Commission in accordance with the procedures set forth in the Plan regarding new participants.

The Commission finds that the amendment to the Joint-SRO Plan is consistent with the requirements of the Act and the rules and regulations thereunder. Specifically, the

plan for the purpose of establishing procedures for market centers to follow in making their monthly reports available to the public under Rule 11Ac1-5 under the Act (n/k/a Rule 605 of Regulation NMS). See Securities Exchange Act Release No. 44177 (April 12, 2001), 66 FR 19814 (April 17, 2001).
