VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the Department has developed the following performance measures for measuring the overall effectiveness of the ANE program: (1) The percentage of Alaska Native students in schools served by the program who meet or exceed proficiency standards in reading, mathematics, and science on the Alaska State assessments; (2) the percentage of Alaska Native children participating in early learning and preschool programs who consistently demonstrate school readiness in language and literacy as measured by the Revised Alaska

Development Profile (RADP); and (3) the percentage of Alaska Native students in schools served by the program who graduate from high school with a regular high school diploma in four years.

All grantees will be expected to submit an annual performance report that includes data addressing these performance measures, to the extent that they apply to the grantee's project.

5. *Continuation Awards:* In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

Background

On December 21, 2006, the Assistant Secretary for Special Education and Rehabilitative Services (Assistant Secretary) issued a final program determination letter (PDL) seeking to recover from Oklahoma \$583,943.29 of Part B of the Individuals with Disabilities Education Act (IDEA-B) funds. These funds, based on a finding in a single audit of Oklahoma (Audit Control Number 06-04-58175), were determined by the Assistant Secretary to have been expended, during fiscal year 2003, in violation of the IDEA-B's maintenance of effort requirement set out in 34 CFR 300.230-300.233 (2003).¹ Specifically, the PDL identified 76 LEAs in Oklahoma that violated the maintenance of effort requirement and the amount of that violation for each of those LEAs.

Oklahoma filed an *Application for Review* of this PDL with the Office of Administrative Law Judges (OALJ) on February 26, 2007. On April 16, 2007, the OALJ granted the parties *Joint Motion to Conduct Voluntary Discovery, Engage in Settlement, Negotiations, and Suspend the Procedural Schedule (Joint Motion)*. Since this *Joint Motion* was granted, Oklahoma has presented the Department with extensive documentation and analysis, not available to the Department at the time the PDL was issued, to support its contention that the total level of the maintenance of effort violation was lower than set out in the PDL. On the basis of that documentation the Assistant Secretary, on November 22, 2010, filed a *Notice of Reduction of Claim* with the OALJ that reduced the claim in this matter from \$583,943.29 to \$289,501.76.

The Department proposes to compromise this remaining claim to \$217,126.32. Based on litigation risks and the costs of proceeding through the administrative and, possibly, court

process for this appeal, the Department has determined that it would not be practical or in the public interest to continue this proceeding. In addition, in light of corrective actions Oklahoma has taken, we do not anticipate recurrence of this maintenance of effort violation. As a result, under the authority in 20 U.S.C. 1234a(j), the Department has determined that compromise of this claim for \$217,126.32 is appropriate. The public is invited to comment on the Department's intent to compromise this claim. Additional information may be obtained by calling or writing to Ronald B. Petracca at the telephone number and address listed at the beginning of this notice.
