

any of the issues involved in this proceeding, without fully complying with the applicable regulations.

2. You may also avoid suspension if, within the applicable 30-day deadline period as measured from your receipt of the Notice of Intent to Suspend by mail or publication of this notice, as set forth in **DATES** and in Unit IV.1., the Agency determines that you have taken appropriate steps to comply with the FIFRA section 3(c)(2)(B) Data Call-In notice. In order to avoid suspension under this option, you must satisfactorily comply with Table 2.—List of Requirements in Unit II., for each product by submitting all required supporting data/information described in Table 2. of Unit. II. and in the Explanatory Appendix (in the docket for this **Federal Register** notice) to the following address (preferably by certified mail):

Office of Pesticide Programs, Pesticide Re-Evaluation Division, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001. For you to avoid automatic suspension under this notice, the Agency must also determine within the applicable 30-day deadline period that you have satisfied the requirements that are the bases of this notice and so notify you in writing. You should submit the necessary data/information as quickly as possible for there to be any chance the Agency will be able to make the necessary determination in time to avoid suspension of your products. The suspension of the registrations of your company's products pursuant to this notice will be rescinded when the Agency determines you have complied fully with the requirements which were the bases of this notice. Such compliance may only be achieved by submission of the data/information described in Table 2 of Unit II.

V. Status of Products That Become Suspended

Your product will remain suspended, however, until the Agency determines you are in compliance with the requirements which are the bases of this notice and so informs you in writing.

After the suspension becomes final and effective, the registrants subject to this notice, including all supplemental registrants of products listed in Table 1 of Unit II., may not legally distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the products listed in Table 1 of Unit II. Persons other than the registrants subject to this notice, as defined in the preceding sentence, may continue to distribute,

sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the products listed in Table 1 of Unit II. Nothing in this notice authorizes any person to distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the products listed in Table 1 of Unit II. in any manner which would have been unlawful prior to the suspension.

If the registrations for your products listed in Table 1 of Unit II. are currently suspended as a result of failure to comply with another FIFRA section 3(c)(2)(B) Data Call-In notice or Section 4 Data Requirements notice, this notice, when it becomes a final and effective order of suspension, will be in addition to any existing suspension, i.e., all requirements which are the bases of the suspension must be satisfied before the registration will be reinstated.

It is the responsibility of the basic registrant to notify all supplementary registered distributors of a basic registered product that this suspension action also applies to their supplementary registered products. The basic registrant may be held liable for violations committed by their distributors.

Any questions about the requirements and procedures set forth in this notice or in the subject FIFRA section 3(c)(2)(B) Data Call-In notice, should be addressed to the person listed under **FOR FURTHER INFORMATION CONTACT**.

VI. What is the agency's Authority for taking this action?

The Agency's authority for taking this action is contained in sections 3(c)(2)(B) and 6(f)(2) of FIFRA, 7 U.S.C. 136 *et seq.*

List of Subjects

Environmental protection, Pesticides and pests.

Dated: January 26, 2011.

Richard P. Keigwin, Jr.,

*Director, Pesticide Re-evaluation Division,
Office of Pesticide Programs.*

[FR Doc. 2011-2406 Filed 2-3-11; 8:45 am]

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2010-0012; FRL-8858-7]

Notice of Receipt of Several Pesticide Petitions Filed for Residues of Pesticide Chemicals in or on Various Commodities

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces the Agency's receipt of several initial filings of pesticide petitions proposing the establishment or modification of regulations for residues of pesticide chemicals in or on various commodities.

DATES: Comments must be received on or before March 7, 2011.

ADDRESSES: Submit your comments, identified by docket identification (ID) number and the pesticide petition number (PP) of interest as shown in the body of this document, by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.

- *Mail:* Office of Pesticide Programs (OPP) Regulatory Public Docket (7502P), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001.

- *Delivery:* OPP Regulatory Public Docket (7502P), Environmental Protection Agency, Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. Deliveries are only accepted during the Docket Facility's normal hours of operation (8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays). Special arrangements should be made for deliveries of boxed information. The Docket Facility telephone number is (703) 305-5805.

Instructions: Direct your comments to the docket ID number and the pesticide petition number of interest as shown in the body of this document. EPA's policy is that all comments received will be included in the docket without change and may be made available on-line at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through [regulations.gov](http://www.regulations.gov) or e-mail. The [regulations.gov](http://www.regulations.gov) Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through [regulations.gov](http://www.regulations.gov), your e-mail address will be automatically captured and included as part of the comment that is placed in the docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your

comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: All documents in the docket are listed in the docket index available at <http://www.regulations.gov>. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the OPP Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

FOR FURTHER INFORMATION CONTACT: A contact person, with telephone number and e-mail address, is listed at the end of each pesticide petition summary. You may also reach each contact person by mail at their Division: Biopesticides and Pollution Prevention Division (7511P) or Registration Division (7505P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

You may be potentially affected by this action if you are an agricultural producer, food manufacturer, or pesticide manufacturer. Potentially affected entities may include, but are not limited to:

- Crop production (NAICS code 111).
- Animal production (NAICS code 112).
- Food manufacturing (NAICS code 311).
- Pesticide manufacturing (NAICS code 32532).

This listing is not intended to be exhaustive, but rather provides a guide for readers regarding entities likely to be affected by this action. Other types of entities not listed in this unit could also be affected. The North American Industrial Classification System

(NAICS) codes have been provided to assist you and others in determining whether this action might apply to certain entities. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed at the end of the pesticide petition summary of interest.

B. What Should I Consider as I Prepare My Comments for EPA?

1. **Submitting CBI.** Do not submit this information to EPA through www.regulations.gov or e-mail. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD-ROM that you mail to EPA, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. **Tips for preparing your comments.** When submitting comments, remember to:

- i. Identify the document by docket ID number and other identifying information (subject heading, **Federal Register** date and page number).
- ii. Follow directions. The Agency may ask you to respond to specific questions or organize comments by referencing a Code of Federal Regulations (CFR) part or section number.
- iii. Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.
- iv. Describe any assumptions and provide any technical information and/or data that you used.
- v. If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.
- vi. Provide specific examples to illustrate your concerns and suggest alternatives.
- vii. Explain your views as clearly as possible, avoiding the use of profanity or personal threats.
- viii. Make sure to submit your comments by the comment period deadline identified.

3. **Environmental justice.** EPA seeks to achieve environmental justice, the fair treatment and meaningful involvement of any group, including minority and/or low-income populations, in the development, implementation, and enforcement of environmental laws,

regulations, and policies. To help address potential environmental justice issues, the Agency seeks information on any groups or segments of the population who, as a result of their location, cultural practices, or other factors, may have atypical or disproportionately high and adverse human health impacts or environmental effects from exposure to the pesticides discussed in this document, compared to the general population.

II. What Action is the Agency Taking?

EPA is announcing its receipt of several pesticide petitions filed under section 408 of the Federal Food, Drug, and Cosmetic Act (FFDCA), 21 U.S.C. 346a, proposing the establishment or modification of regulations in 40 CFR part 180 for residues of pesticide chemicals in or on various food commodities. EPA has determined that the pesticide petitions described in this notice contain the data or information prescribed in FFDCA section 408(d)(2); however, EPA has not fully evaluated the sufficiency of the submitted data at this time or whether the data support granting of the pesticide petitions. Additional data may be needed before EPA can make a final determination on these pesticide petitions.

Pursuant to 40 CFR 180.7(f), a summary of each of the petitions that are the subject of this notice, prepared by the petitioner, is included in a docket EPA has created for each rulemaking. The docket for each of the petitions is available on-line at <http://www.regulations.gov>.

As specified in FFDCA section 408(d)(3), (21 U.S.C. 346a(d)(3)), EPA is publishing notice of the petition so that the public has an opportunity to comment on this request for the establishment or modification of regulations for residues of pesticides in or on food commodities. Further information on the petition may be obtained through the petition summary referenced in this unit.

New Tolerance

1. *PP 0E7787.* (EPA-HQ-OPP-2010-0916). Interregional Research Project, No. 4 (IR-4), 500 College Road East, Suite 201 W, Princeton, NJ 08540, proposes to establish a tolerance in 40 CFR part 180 for residues of the insecticide hexythiazox (*trans*-5-(4-chlorophenyl)-N-cyclohexyl-4-methyl-2-oxothiazolidine-3-carboxamide) and its metabolites containing the (4-chlorophenyl)-4-methyl-2-oxo-5-thiazolidine moiety, in or on tomato at 0.50 parts per million (ppm). A practical analytical method, high pressure liquid chromatography (HPLC) with an

ultraviolet (UV) detector, which detects and measures residues of hexythiazox and its metabolites as a common moiety, is available for enforcement purposes with a limit of detection that allows monitoring of food with residues at or above the level set in this tolerance.

Contact: Sidney Jackson, (703) 305-7610, Registration Division (7505P), *e-mail address:* jackson.sidney@epa.gov.

2. PP 0E7793. (EPA-HQ-OPP-2010-0957). BASF Corporation, 26 Davis Drive, Research Triangle Park, NC 27709, proposes to establish a tolerance in 40 CFR part 180 for residues of the herbicide imazapyr, 2-[4,5-dihydro-4-methyl-4-(1-methylethyl)-5-oxo-1H-imidazol-2-yl]-3-pyridinecarboxylic acid, in or on soybean at 4.0 ppm; and in or on the processed commodity soybean meal at 4.5 ppm. The proposed analytical method for detecting residues of imazapyr in soybean seed and processed fractions is a liquid chromatography-tandem mass spectrometry (LC-MS/MS) method. This validated method has a level of quantitation (LOQ) of 0.01 milligrams/kilogram. *Contact:* Hope Johnson, (703) 305-5410, Registration Division (7505P), *e-mail address:* johnson.hope@epa.gov.

3. PP 0E7806. (EPA-HQ-OPP-2010-1026). BASF Corporation, 26 Davis Drive, P.O. Box 13528, Research Triangle Park, NC 27709-3528, proposes to establish import tolerances in 40 CFR part 180 for residues of the herbicide saflufenacil, including its metabolites and degradates, in or on banana, whole fruit at 0.03 ppm; coffee, green bean at 0.03 ppm; and mango, fruit at 0.03 ppm. Compliance with the tolerance levels is to be determined by measuring only the sum of saflufenacil, 2-chloro-5-[3,6-dihydro-3-methyl-2,6-dioxo-4-(trifluoromethyl)-1(2H)-pyrimidinyl]-4-fluoro-N-[[methyl(1-methylethyl)amino]sulfonyl]benzamide, and its metabolites N-[2-chloro-5-(2,6-dioxo-4-(trifluoromethyl)-3,6-dihydro-1(2H)-pyrimidinyl)-4-fluorobenzoyl]-N'-isopropylsulfamide and N-[4-chloro-2-fluoro-5-(([(isopropylamino)sulfonyl]amino)carbonyl)phenyl]urea, calculated as the stoichiometric equivalent of saflufenacil, in or on the commodities. Adequate enforcement methodology (liquid chromatography/mass spectrometry/mass spectrometry (LCMS/MS) methods D0603/02 (plants) and L0073/01 (livestock)) is available to enforce the tolerance expression. *Contact:* Susan Stanton, (703) 305-5218, Registration Division (7505P), *e-mail address:* stanton.susan@epa.gov.

4. PP 0F7741. (EPA-HQ-OPP-2010-0938). Monsanto Company, 1300 I St.,

NW., Suite 450 East, Washington, DC 20052, proposes to establish a tolerance in 40 CFR part 180 for residues of the herbicide glyphosate, N-(phosphonomethyl) glycine, in or on corn, field, forage at 13 ppm to support the use of glyphosate in RHS seed corn production. Adequate enforcement methods are available for analysis of residues of glyphosate and its metabolite AMPA in or on plant and livestock commodities. These methods include gas liquid chromatography (GLC), Method I in Pesticides Analytical Manual (PAM) II (0.05 ppm limit of detection (LOD)), and HPLC with fluorometric detection (0.0005 ppm (LOD)). The HPLC procedure has undergone successful Agency validation and was recommended for inclusion in PAM II. A gas chromatography/mass spectrometry (GC/MS) method for glyphosate in crops has also been validated by EPA's 2 Analytical Chemistry Laboratory (ACL). *Contact:* Hope Johnson, (703) 305-5410, Registration Division (7505P), *e-mail address:* johnson.hope@epa.gov.

5. PP 0F7785. (EPA-HQ-OPP-2010-0959). Syngenta Crop Protection, Inc., P.O. Box 18300, Greensboro, NC 27419, proposes to establish a tolerance in 40 CFR part 180 for residues of the fungicide difenoconazole, 1-[2-[2-chloro-4-(4-chlorophenoxy) phenyl]-4-methyl-1,3-dioxolan-2-ylmethyl]-1H-1,2,4-triazole, in or on oats, grain at 0.1 ppm; and in or on rye, grain at 0.1 ppm. A practical analytical method (AG-5758) for detecting and measuring levels of difenoconazole in or on food with an LOQ that allows monitoring of food with residues at or above the levels set in the proposed tolerances. Method REM 147.08 is also available for enforcement method for the determination of residues of difenoconazole in crops. Residues are qualified by LC-MS/MS. A practical analytical method (AG-544A) for detecting and measuring levels of difenoconazole in or on cattle tissues and milk, and poultry tissues and eggs with an LOQ that allows monitoring of food with residues at or above the levels set in the proposed tolerances. *Contact:* Rose Mary Kearns, (703) 305-5611, Registration Division (7505P), *e-mail address:* kearns.rosemary@epa.gov.

6. PP 0F7796. (EPA-HQ-OPP-2010-0905). Interregional Research Project Number 4 (IR-4), 500 College Road East, Suite 201 W, Princeton, NJ 08540, proposes to establish a tolerance in 40 CFR part 180 for residues of the herbicide 2,4-D (2,4-dichlorophenoxyacetic acid), both free and conjugated, determined as the acid, in or on teff, bran at 4.0 ppm; teff, forage

at 25.0 ppm; teff, grain at 2.0 ppm; and teff, straw at 50.0 ppm. An adequate gas/electron chromatography detection (GC/ECD) enforcement method for plants (designated as EN-CAS Method No. ENC-2/93) is available and has been independently validated. Adequate radiovalidation data have been submitted and evaluated for the enforcement method using samples from the wheat metabolism study. *Contact:* Laura E. Nollen, (703) 305-7390, Registration Division (7505P), *e-mail address:* nollen.laura@epa.gov.

New Tolerance Exemption

1. PP 0E7784. (EPA-HQ-OPP-2010-0878). Rhodia, Inc., c/o SciReg, Inc., 12733 Director's Loop, Woodbridge VA 22192, proposes to establish an exemption from the requirement of a tolerance for residues of carboxymethyl guar gum sodium salt (CAS No. 39346-76-4) with a minimum number average molecular weight (in amu) of 100,000 under 40 CFR 180.920 when used as a thickener/drift reduction agent in pesticide formulations. Based upon the structural similarities between carboxymethyl guar, guar gum, hydroxypropyl guar, and carboxymethyl-hydroxypropyl guar, the tolerance exemption petition for carboxymethyl guar gum sodium salt summarizes and relies upon available data on all four substances. Rhodia, Inc. is requesting that carboxymethyl guar be exempt from the requirement of a tolerance under 40 CFR 180.920. Therefore, Rhodia, Inc. believes that an analytical method to determine residues in treated crops is not relevant. *Contact:* Alganesh Debesai, (703) 308-8353, Registration Division (7505P), *e-mail address:* debesai.alganesh@epa.gov.

2. PP 0E7803. (EPA-HQ-OPP-2010-1019). Rhodia, Inc., c/o SciReg, Inc., 12733 Director's Loop, Woodbridge VA 22192, proposes to establish an exemption from the requirement of a tolerance for residues of carboxymethyl-hydroxypropyl guar (CAS No. 68130-15-4) with a minimum number average molecular weight (in amu) of 100,000 under 40 CFR 180.920 when used as a thickener/drift reduction agent in pesticide formulations. Based upon the structural similarities between carboxymethyl-hydroxypropyl guar, guar gum, hydroxypropyl guar, and carboxymethyl guar, the tolerance exemption petition for carboxymethyl-hydroxypropyl guar summarizes and relies upon available data on all four substances. Rhodia, Inc. is requesting that carboxymethyl-hydroxypropyl guar be exempt from the requirement of a tolerance under 40 CFR 180.920. Therefore, Rhodia, Inc. believes that an

analytical method to determine residues in treated crops is not relevant. *Contact:* Alganesh Debesai, (703) 308-8353, Registration Division (7505P), *e-mail address:* debesai.alganesh@epa.gov.

3. PP 0F7745. (EPA-HQ-OPP-2010-0805). Pasteuria Bioscience, Inc., 12085 Research Drive, Suite 185, Alachua, FL 32615, proposes to establish an exemption from the requirement of a tolerance for residues of the microbial pesticide *Pasteuria reniformis*—Pr3 [SD-5834], in or on all raw agricultural crops. The petitioner believes no analytical method is needed because an exemption from the requirement of a tolerance is being sought. *Contact:* Jeannine Kausch, (703) 347-8920, Biopesticides and Pollution Prevention Division (7511P), *e-mail address:* kausch.jeannine@epa.gov.

4. PP 0F7749. (EPA-HQ-OPP-2010-0807). Pasteuria Bioscience, Inc., 12085 Research Drive, Suite 185, Alachua, FL 32615, proposes to establish an exemption from the requirement of a tolerance for residues of the microbial pesticide *Pasteuria nishizawae*—Pn1 [SD-5833], in or on all raw agricultural crops. The petitioner believes no analytical method is needed because an exemption from the requirement of a tolerance is being sought. *Contact:* Jeannine Kausch, (703) 347-8920, Biopesticides and Pollution Prevention Division (7511P), *e-mail address:* kausch.jeannine@epa.gov.

5. PP 0F7760. (EPA-HQ-OPP-2010-0944). Certis USA LLC, 9145 Guilford Road, Suite 175, Columbia, MD 21046, proposes to establish an exemption from the requirement of a tolerance for residues of the microbial pesticide *Bacillus subtilis* var. *amyloliquefaciens* strain D747 in or on all agricultural commodities when applied/used in accordance with label directions. No analytical method is needed because this petition requests an exemption from the requirement of a tolerance. *Contact:* Susanne Cerrelli, (703) 308-8077, Biopesticides and Pollution Prevention Division (7511P), *e-mail address:* cerrelli.susanne@epa.gov.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2011-0038; FRL-8862-4]

Versar, Tetrahedron, Inc. and Info Impact; Transfer of Data

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces that pesticide related information submitted to EPA's Office of Pesticide Programs (OPP) pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and the Federal Food, Drug, and Cosmetic Act (FFDCA), including information that may have been claimed as Confidential Business Information (CBI) by the submitter, will be transferred to Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, in accordance with 40 CFR 2.307(h)(3) and 2.308(i)(2). Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, have been awarded a contract to perform work for OPP, and access to this information will enable Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, to fulfill the obligations of the contract.

DATES: Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, will be given access to this information on or before January 18, 2011.

FOR FURTHER INFORMATION CONTACT: Mario Steadman, Information Technology and Resources Management Division (7502P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001; *telephone number:* (703) 305-8338; *e-mail address:* steadman.mario@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

This action applies to the public in general. As such, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How can I get copies of this document and other related information?

EPA has established a docket for this action under docket identification (ID) number EPA-HQ-OPP-2011-0038. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the Office of

Pesticide Programs (OPP) Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

II. Contractor Requirements

Under Contract No. EP-W-11-007, Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, will perform technical reviews of studies containing pesticide exposure and related data in support of registration, re-registration, and special review activities of HED. The contractor shall provide technical support in developing or revising occupational and residential exposure and risk assessments for registration (new chemicals, new uses, etc) and registration review (REDs, TREDs, Low Risk Chemicals) actions, as directed by the EPA COR. The contractor shall provide technical support in developing or revising Standard Operational Procedures (SOPs), such as SOPs for Residential Exposure Assessments, as directed by the EPA COR.

OPP has determined that access by Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, to information on all pesticide chemicals is necessary for the performance of this contract.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(2), the contract with Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, prohibits use of the information for any purpose not specified in the contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, are required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Versar and its subcontractors, Tetrahedron, Inc. and Info Impact, until the requirements in this document have been fully satisfied.
