a. VA operates an outreach services program to ensure veterans and beneficiaries have information about benefits and services to which they may be entitled. To support the program, VA distributes copies of publications to Veterans Service Organizations' representatives to be used in rendering services and representation of veterans, their spouses and dependents. Service organizations complete VA Form 3215 to request placement on a mailing list for specific VA publications.

b. Veterans or beneficiaries complete VA Form 3288 to provide VA with a written consent to release his or her records or information to third parties such as insurance companies, physicians and other individuals.

This release includes VA's Outreach Program for the purpose of advising veterans of non-VA Federal State and local benefits and programs.
