SUPPLEMENTARY INFORMATION: The Department is submitting the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 34, as amended).

Title of Proposal: Certification and Funding of State and Local Fair Housing Enforcement Agencies.

Office: Fair Housing and Equal Opportunity.

OMB Control Number: 2529-0005.

Description of the need for the information and proposed use:

A. Request for Substantial Equivalence

For a state or local law to be certified as "substantially equivalent" and

therefore be eligible to participate in the Fair Housing Assistance Program (FHAP), the Assistant Secretary for Fair Housing and Equal Opportunity must determine that the state or local law provides substantive rights, procedures, remedies, and the availability of judicial review that are substantially equivalent to the federal Fair Housing Act (the Act). State and local fair housing enforcement agencies that are seeking certification in accordance with Section 810(f) of the Act submit a request to the Assistant Secretary for Fair Housing and Equal Opportunity. The request must be supported by the text of the jurisdiction's fair housing law, the law creating and empowering the agency, all laws referenced in the jurisdiction's fair housing law, any regulations and directives issued under the law, and any formal opinions of the State Attorney General or the chief legal officer of the jurisdiction that pertain to the jurisdiction's fair housing law.

B. Information Related to Agency Performance

Once agencies are deemed substantially equivalent and are participating in the FHAP, HUD collects sufficient information to monitor agency performance in accordance with 24 CFR 115.206, which sets forth the performance standards for agencies participating in the FHAP. These standards are meant to ensure that the state or local law, both "on its face" and "in operation," provides substantive rights, procedures, remedies, and judicial review procedures for alleged discriminatory housing practices that are substantially equivalent to those provided in the FHA. In addition, HUD collects sufficient information to monitor agency compliance with 24 CFR 115.307 and 24 CFR 115.308, which set forth requirements for FHAP participation and reporting and record keeping requirements including, but not limited to, the requirement that FHAP agencies use HUD's official complaint
