**SUPPLEMENTARY INFORMATION:**

**Background.**—On March 6, 1987, the  
Department of Commerce (“Commerce”) issued  
antidumping duty orders on  
imports of brass sheet and strip from  
France, Germany, and Italy (52 FR 6995;  
Italy amended at 52 FR 11299 (April 8,  
1987)). On August 12, 1988, Commerce  
issued an antidumping duty order on  
imports of brass sheet and strip from  
Japan (53 FR 30454). Following first  
five-year reviews by Commerce and the  
Commission, effective May 1, 2000,  
Commerce issued a continuation of the  
antidumping duty orders on imports of  
brass sheet and strip from France,  
Germany, Italy, and Japan (65 FR  
25304). Following second five-year  
reviews by Commerce and the  
Commission, effective April 3, 2006,  
Commerce issued a continuation of the  
antidumping duty orders on imports of  
brass sheet and strip from France,  
Germany, Italy, and Japan (71 FR  
16552). The Commission is now  
conducting third reviews to determine  
whether revocation of the orders would  
be likely to lead to continuation or  
recurrence of material injury to the  
domestic industry within a reasonably  
foreseeable time. It will assess the  
adequacy of interested party responses  
to this notice of institution to determine  
whether to conduct full reviews or  
expedited reviews. The Commission's  
determinations in any expedited  
reviews will be based on the facts  
available, which may include  
information provided in response to this  
notice.

**Definitions.**—The following  
definitions apply to these reviews:

(1) *Subject Merchandise* is the class or  
kind of merchandise that is within the  
scope of the five-year reviews, as  
defined by the Department of  
Commerce.

(2) The *Subject Countries* in these  
reviews are France, Germany, Italy, and  
Japan.

(3) The *Domestic Like Product* is the  
domestically produced product or  
products which are like, or in the  
absence of like, most similar in  
characteristics and uses with, the  
*Subject Merchandise*. In its original  
antidumping duty determinations  
concerning brass sheet and strip from  
France, Germany, and Italy, the  
Commission defined the *Domestic Like  
Product* to include brass material to be  
rerolled (reroll) and finished brass sheet  
and strip (finished products). In its  
original antidumping duty  
determination and the remand  
determination concerning brass sheet  
and strip from Japan, the Commission  
defined the *Domestic Like Product* to be  
all Unified Numbering System (“UNS”) C20000  
domestically produced brass  
sheet and strip. One Commissioner  
defined the *Domestic Like Product*  
differently. In its full first and second  
five-year review determinations, the  
Commission defined the *Domestic Like  
Product* as all UNS C20000 series brass  
sheet and strip. For purposes of this  
notice, the *Domestic Like Product* is all  
UNS C20000 series brass sheet and  
strip.

(4) The *Domestic Industry* is the U.S.  
producers as a whole of the *Domestic  
Like Product*, or those producers whose  
collective output of the *Domestic Like  
Product* constitutes a major proportion  
of the total domestic production of the  
product. In its original antidumping  
duty determinations concerning brass  
sheet and strip from France, Germany,  
and Italy, the Commission defined the  
*Domestic Industry* to include primary  
mills with casting capabilities and  
rerollers. In its original antidumping  
duty determination and the remand  
determination concerning brass sheet  
and strip from Japan, the Commission  
defined the *Domestic Industry* as  
producers of the corresponding  
*Domestic Like Product*. One  
Commissioner defined the *Domestic  
Industry* differently. In its full first and  
second five-year review determinations,  
the Commission defined the *Domestic  
Industry* to consist of the domestic  
producers of UNS C20000 series brass  
sheet and strip. For purposes of this  
notice, the *Domestic Industry* is all  
domestic producers of UNS C20000  
series brass sheet and strip.

(5) An *Importer* is any person or firm  
engaged, either directly or through a  
parent company or subsidiary, in  
importing the *Subject Merchandise* into  
the United States from a foreign  
manufacturer or through its selling  
agent.

*Participation in the reviews and public service list.*—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation. The Commission's designated agency ethics official has advised that a five-year review is not considered the "same particular matter" as the corresponding underlying original investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b)(19 CFR 201.15(b)), 73 FR 24609 (May 5, 2008). This advice was developed in consultation with the Office of Government Ethics. Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR § 201.15, even if the corresponding underlying original investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

*Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.*—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

*Certification.*—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the

Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

*Written submissions.*—Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is March 31, 2011. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is May 16, 2011. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

*Inability to provide requested information.*—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the

explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.

*Information To Be Provided in Response to This Notice of Institution:* If you are a domestic producer, union/worker group, or trade/business association; import/export *Subject Merchandise* from more than one *Subject Country*; or produce *Subject Merchandise* in more than one *Subject Country*, you may file a single response. If you do so, please ensure that your response to each question includes the information requested for each pertinent *Subject Country*. As used below, the term "firm" includes any related firms.

(1) The name and address of your firm or entity (including World Wide Web address) and name, telephone number, fax number, and E-mail address of the certifying official.

In your response, please discuss the various factors specified in section 752(a) of the Act (19 U.S.C. 1675a(a)) including the likely volume of subject imports, likely price effects of subject imports, and likely impact of imports of *Subject Merchandise* on the *Domestic Industry*.

(5) A list of all known and currently operating U.S. producers of the *Domestic Like Product*. Identify any known related parties and the nature of the relationship as defined in section 771(4)(B) of the Act (19 U.S.C. 1677(4)(B)).

(6) A list of all known and currently operating U.S. importers of the *Subject Merchandise* and producers of the *Subject Merchandise* in each *Subject Country* that currently export or have exported *Subject Merchandise* to the

If you are a union/worker group or trade/business association, provide the information, on an aggregate basis, for the firms in which your workers are employed/which are members of your association.

(b) Capacity (quantity) of your firm to produce the *Domestic Like Product* (i.e., the level of production that your establishment(s) could reasonably have expected to attain during the year, assuming normal operating conditions (using equipment and machinery in place and ready to operate), normal operating levels (hours per week/weeks per year), time for downtime, maintenance, repair, and cleanup, and a typical or representative product mix);

(c) The quantity and value of U.S. commercial shipments of the *Domestic Like Product* produced in your U.S. plant(s);

(d) The quantity and value of U.S. internal consumption/company transfers of the *Domestic Like Product* produced in your U.S. plant(s); and

(a) The quantity and value (landed, duty-paid but not including antidumping duties) of U.S. imports and, if known, an estimate of the percentage of total U.S. imports of *Subject Merchandise* from each *Subject Country* accounted for by your firm's(s') imports;

(b) The quantity and value (f.o.b. U.S. port, including antidumping duties) of U.S. commercial shipments of *Subject Merchandise* imported from each *Subject Country*; and

(c) The quantity and value of your firm's(s') exports to the United States of *Subject Merchandise* and, if known, an estimate of the percentage of total exports to the United States of *Subject Merchandise* from each *Subject Country* accounted for by your firm's(s') exports.

(12) Identify significant changes, if any, in the supply and demand conditions or business cycle for the *Domestic Like Product* that have

occurred in the United States or in the market for the *Subject Merchandise* in each *Subject Country* after 2004, and significant changes, if any, that are likely to occur within a reasonably foreseeable time. Supply conditions to consider include technology; production methods; development efforts; ability to increase production (including the shift of production facilities used for other products and the use, cost, or availability of major inputs into production); and factors related to the ability to shift supply among different national markets (including barriers to importation in foreign markets or changes in market demand abroad). Demand conditions to consider include end uses and applications; the existence and availability of substitute products; and the level of competition among the *Domestic Like Product* produced in the United States, *Subject Merchandise* produced in each *Subject Country*, and such merchandise from other countries.

(13) (OPTIONAL) A statement of whether you agree with the above definitions of the *Domestic Like Product* and *Domestic Industry*; if you disagree with either or both of these definitions, please explain why and provide alternative definitions.
